

CLIMATE SYSTEMS, INC. PRODUCT LINE

[ABB](#)

- Adjustable Frequency Drives for HVAC Equipment

[Accutrol](#)

- Air Flow Lab Control Valve & Controls

[ACME Engineering](#)

- Gas & Refrigerant Detection and Alarming Sensors & Panels

[Air Distribution Concepts](#)

- Fabric Air Diffuser Systems

[Accurex](#)

- Exhaust Hoods
- Fire Suppression Systems
- Pollution Control Units
- Exhaust Fans
- Make-Up Air Units

[Acutherm](#)

- Thermally Actuated VAV Diffuser
- Electric Series VAV Diffuser

[Aldes](#)

- In-Line Exhaust Fans
- Dryer Venting Accessories
- Wall/Roof Caps
- Energy Recovery

[Ampco](#)

- Commercial/Industrial Stacks & Breeching Systems

[Antec Controls by Price](#)

- Pressure Monitoring
- Venturi airflow control valves
- Critical space controls
- Fume Hood controls

[Bry-Air](#)

- Desiccant Dehumidifiers

[Commercial Aire Products](#)

- Belt & Direct Drive Blower & Fan Coil Units
- Small Air Cooled Chillers

[Camfil](#)

- Air Filtration Products

[Car-Mon](#)

- Vehicle Exhaust Systems
- Fume Capture & Filtration

[Carel](#)

- Humidifiers – Electrode, Gas & Atomizing
- Distribution Tubes

[ClimaCool](#)

- Water Cooled Modular Chillers
- Air Cooled Modular Chillers
- Water to Water Heat Pumps
- Dedicated Outdoor Air Units

[ClimateCraft](#)

- Custom Air Handling Units/replacement AHUs
- Fan Matrix Replacement

[Clima-Flex](#)

- Modular Chiller Design
- Air or Water cooled with Inverter Compressors
- Indoor or Outdoor Configurations

ClimateMaster

- Water Source Heat Pumps
- Water to Water Heat Pumps
- Rooftop Heat Pumps
- DOA Heat Pumps

Cool-Space

- Portable Evaporative Cooling

Dectron

- Pool Dehumidification Units
- Ice Rink Dehumidification Equipment

Dunham-Bush

- Central Station Air Handling Units
- Air Cooled Chillers
- Water Cooled Chillers
- Ice Thermal Storage Systems

Entrematic/Kelley Fans

- Industrial High Volume Low Speed Fans
- Commercial Fans

IAP Air Products

- Fume/Duct Arms
- Spark Trap
- Mobile Weld Fume Collectors
- Ambient Air Cleaners

IMI/Flow Design

- Self-Balancing Hydronic Flow Control Valves
- Manual Balancing Valves

Franklin/Cerus

- Building Automation Starter
- Variable Frequency Drives
- Cooling Tower, Pump & HVAC Controllers

[Friedrich](#)

- Vertical PTAC Units
- PTAC Units

[Greenheck](#)

- Fans & Lab Exhaust Fans
- Hoods
- Make-Up Air Units
- Energy Recovery
- Louvers
- Fire & Fire/Smoke Dampers
- Hydronic & Electric Coils

[International Environmental](#)

- Fan Coil Units, Blower Coil Units, Cabinet Unit Heaters

[Hart & Cooley](#)

- Residential & Commercial Grilles, Registers & Diffusers

[heatfab](#)

- Single & Double Wall Commercial Venting Products

[Kampmann](#)

- Trench Heating/Cooling
- Perimeter Heating/Cooling
- Fan Coil Units
- Designer Grilles

[KB Duct](#)

- Industrial Sheet Metal Components and Systems
- Clamp Together Duct System

[Lennox](#)

- Packaged Rooftop Units
- Furnaces & Condensing Units
- Split Systems
- Gas fired Unit Heater

LG

- PTAC Units
- Ductless Split Systems
- Multi-Split Systems
- Variable Refrigerant Flow Systems

Link Industries – Lindab Products

- Single or Double wall Spiral & Flat Oval Ductwork

MagicAire

- Unit Ventilators
- Air Handling Units
- Blower Coil Units

Nu-Air

- Static Plate Heat & Energy Recovery Units

Price

- Air Terminals
- Grilles, Registers and Diffusers
- Displacement Ventilation
- Raised Floor Distribution
- Fan & Blower Coil Units
- Silencers
- Lab Air Flow Terminals

Prihoda

- Textile Air Dispersion Products

Qmark

- Electric Baseboard Heaters
- Commercial & Industrial Electric Unit Heaters
- Electric Radiant Panels
- Air Curtains

Rapid Engineering

- Direct and Indirect Fired Make-Up Air and Evaporative Cooling
- Gas Fired Unit Heaters

RectroSeal

- Equipment Mounting Systems
- Metal VRF Ducting Systems
- Lineset PVC Enclosures
- Ductless Split System Brackets & Condensate Pumps

RefPlus

- Fluid Coolers
- Desiccant Dehumidifier for Ice Rinks
- Ice Rink Defogger

Re-Verber-Ray

- Electric Radiant Heaters
- Gas Tube Radiant Heaters
- Infra-Red Heaters
- Gas Fired Unit Heaters

Seasons 4

- Direct Replacement packaged Air Handling/Rooftop Units
- Packaged custom Air Handling/Rooftop Units including energy recovery, condensing units, evaporative cooling, water-cooled condensers, vestibules, ect...

Specified Controls

- Modulating & Two-Position Zone Control System
- Stand Alone Single Zone
- Thermostats
- Twinning & Lead/Lag Controllers

Steril-Aire

- Ultra Violet Lights for HVAC Systems

Sternvent

- Dust-Collectors & After Filters

Stulz-ATS

- Computer Room Air Conditioning Units

Partner
of

[Schneider Electric/T.A.C/Invensys](#)

- Energy Management and Temperature Control Systems
- Variable Frequency Drives

[Tek-Air Systems\Accutrol](#)

- Airflow Measuring Devices, Airflow Control Systems for Clean Rooms & Biological Labs

[Thermaduct](#)

- Outdoor & Indoor duct system with pre-insulated panels

[VTS](#)

- 2" Double Wall Blower Coil Units
- 2" Double Wall Modular Air Handling units
- Energy Recovery Configurations Available
