

Safety Supplies

8374 Series Vest

DESCRIPTION

- This mesh vest meets the standard for the ANSI/ISEA 107-2004 Class 3 classification.
- It features 2-inch-wide retroreflective tape on the fluorescent body and sleeves.
- Its comfortable, relaxed fit is due, in part, to the large neck opening, four high-quality snaps, and the new 70D mesh polyester material.
- As with many SECO vests, this one features a radio mic clip, pockets and pen/pencil slots. It also sports 5- and 6.5-inch-deep outer pockets!
- This model is available in either flo orange or flo yellow, in sizes to fit 36- to 66-inch chest widths and is machine-washable.

DESCRIPTION

- This vest meets ANSI/ISEA 107-2004 Class 3 standards for reflectivity.
- It is manufactured with tricot and textured Polyester mesh for durability and comfort.
- This vest features three front outside pockets and a mic clip.
- It stays cool in the summer heat and is visible in low-light conditions.
- It has 3-inch (7.62 cm) wide reflective tape with 2-inch (5.08 cm) wide silver stripes.
- There are four sizes available. Also available in fluorescent orange.

8390 Series Vest

8368 Series Vest

DESCRIPTION

- This vest meets ANSI/ISEA 107-2004 Class 3 standards.
- It's specifically designed for high-speed traffic areas and/or where workers need to be as conspicuous as possible. It features 2-inch-wide retroreflective tape on the fluorescent body and sleeves.
- Other features include convenient pockets with flaps for items like pens and pencils, notebooks, a radio and flagging tape.
- The durable fluorescent fabric is constructed of 100% texturized Polyester for softness, comfort, superior strength, and abrasion resistance.
- This model is available in either flo orange or flo yellow, in sizes to fit 36- to 66-inch chest widths and is machine-washable.

DESCRIPTION

- The 8290 series economy vest is manufactured with tricot and textured polyester mesh for durability and comfort. It's also manufactured to meet ANSI/ISEA 107-2004 Class 2 standards.
- Standard Features of the 8290:
This vest features a wide variety of pockets including: radio pocket; pencil pocket; two front outside pockets; two front inside pockets; rear map pocket.
- It is made with 3M™ Scotchlite™ Reflective Material. The sizes range from L to 3X. Also available in fluorescent yellow. If you need a cool vest with different reflective tape, this is the vest for you!

8290 Series Vest
