

David Glick

A Man of Character.

A Man of Courage.

A Man of Loyalty.

This man is Little League Baseball.

When people talk about the essence of little league baseball, they are talking about David Glick. Courage, character, loyalty. These words represent the core values of little league baseball. David Glick has lived them for almost 50 years here at Huntington Little League #3. You read that right. For 50 years he has been coaching, teaching, helping, instilling pride, building confidence and self esteem in children through baseball.

Whether he wins or loses, the one thing that has always been a constant is his desire to instill in children the values that will carry them into adulthood. He is the epitome of the positive role model. He is the definition of leading by example. He is one of a kind and we are so lucky to have him here.

David Glick has made a positive impact on generations of boys and girls who have been lucky enough to have played here at Huntington Little League #3. This year we honor a man who has spent countless hours on the ballfield trying to make a difference. Simply put, David Glick puts smiles on kids faces and his love of the game of baseball makes dreams come true.

Thank you Coach Glick, for your devotion to children and to the game of baseball.
