BOARD MINUTES
November 17, 2020

Attendees: Alan Arthur, Donna Bongard, Debbie Walters, Bethany Totherow, Henderson Properties and Jim O'Connell (first section only discussing maintenance issues)

Maintenance Issues:

- Floor slab at Unit #858 – No change in status; will be addressed after owner's authorization.
- Roof leak inspection will be scheduled for unit #814; full access to attic must be made available.
- Sidewalk slab repair was completed at unit #715, but door frame needs repair before new storm door can be installed; Jim getting quote from Carolina Custom Maintenance.
- Several issues where new siding and/or repairs to existing siding have caused noticeable differences in paint color. Full exterior painting isn't scheduled to begin until 2024, and maintenance budget isn't sufficient for touch-up painting. Board agreed to have Sherwin Williams do a color match to determine if small areas could be addressed. For unit #770, Carolina Custom Maintenance will be contacted to review the caulking repair that was done and determine if they can correct the color differences.
- Several complaints from residents about damaged screen frames; vendor has been found to make new frames and these will be addressed in 2021. ****Important note – handyman can handle issues with the screen mesh – this item is only referring to the metal frames.***
- Have not yet received proposal from Carolina Custom Maintenance for repair to entrance sign; will follow up with contractor.
- Approved 1 ARC request – install 2 overhead lights at front pergola, conditional to the lights not shining outside the posts, only downward.

Henderson Report:

- Year-to-date we are \$12,879.73 higher expenses than income – mulch, maintenance/repair costs, and Tega Cay city utilities (water/sewer/irrigation and garbage collection) are running higher than budget; other areas are running close or better than budget.
- One delinquency remains at this time for \$5,406 and has been filed for recovery through the estate. Unit #780 is now in bank foreclosure.
- Paid \$1,500 to Messer's Plumbing and \$1,150 to Structural Innovations in October from reserve funds.

New Issues:

- Budget recommendation for 2021 was finalized and will be distributed to the owners for review prior to a virtual meeting to be held on Tuesday, December 8th to respond to any questions and vote on ratification. Communication to be sent out to residents on November 18.

BOARD MINUTES (Con'd)
November 17, 2020

Pending Issues:

- Front entrance pergola – pressure washing and application of stain/sealer has been completed. The Board wishes to thank Larry McCarty, Bud Oehrli, Gary Robinson, Norman Grove, and Jim O’Connell for their time and assistance in getting this work completed.
- 911 Light switch option will be shared with community residents as a solution to better home identification for emergency personnel when needed. It is an internal light switch solution that doesn’t affect the exterior of the home in any way.
- Rules and Regulations have been reviewed with several modifications forthcoming. Communication will be sent out mid-December for an effective date of 1/1/2021 due to SC filing needed.

Next Board Meeting: Monday, December 7th at 11:00 a.m.

Community Budget Meeting: Tuesday, December 8th at 6:00 p.m.

Attendees: Ginny Arthur, Mary Clair, Jeff Chapman, Norm Grove, Ron Spezia, Debbie Walters (board member) and Paul Shisler, and from Shamrock, Jeff Murgas

Old Business:

- Bare spots around Unit 746 and 768
- Drainage resolutions completed at Units 810, 818, and 819
- Bushes at Units 811, 821, 819, and 759 need some minor trimming
- Still waiting for estimate on stone between Units 846 and 848 (between garages)

New Business:

- One new ARC REQUEST for solar lights. Approved Unit 758.
- Planting of experimental vinca this November.
- Estimate of replacement plants/shrubs will be given by month's end. Planting will then take place.

- Our Committee would like to acknowledge Jim O'Connel for the excellent job in painting several chairs in the park.

REMINDERS FOR 2021

1. Units 770 and 778 need shrubs cut much lower early next spring.
2. Revisit discussion on cutting back on watering.
3. Revisit drainage problem at Unit 868. Rerouted downspout on October 17th - this has helped.
4. I am grateful to the members of our Landscape Committee, Shamrock Lawn Service, and Heartwood Tree Service for their dedication to our community.

Our next meeting will be March 3, 2021.

COMMUNITY INFORMATION

Ambulance or Fire Truck - An advance person should stand at the end of the specified driveway to help the emergency vehicle locate the correct residence. The ambulance will take you to the hospital of your choice – (1) Pineville Atrium, (2) Main Charlotte Uptown Atrium, (3) Mercy Charlotte Uptown Atrium, (4) Novant (Presbyterian) Uptown Charlotte, and (5) Rock Hill Piedmont Medical Center. Remember to observe our posted **SPEED LIMIT of 14 miles per hour.**

Animals/Pets Rules and Regulations - No. 3 - Pets should be walked in remote areas only. **Pets should not be walked on the lawn as their waste will cause browning. Dog walking is permissible along Ledgestone Court, on the newly completed “Park” sidewalk, or along Stonecrest Boulevard.** Pet feces are not to be discarded in the clubhouse trash cans. There have been several complaints about the resulting foul odor. Either/or but only (1) pet is allowed.

Bicycle Clubhouse Parking - The Board has designated the pergola behind the pool for bicycle parking while attending functions at the clubhouse. This will free up parking for vehicles, free up sidewalks, and protect our grass.

Clubhouse Code – FOR RESIDENTS ONLY! Under no circumstances should any resident share the access code. If a guest requires clubhouse access, the resident must open the door. This is an inconvenience and expensive for HOA to change combination codes on six doors.

Clubhouse Reminders – When you leave clubhouse or exercise room, fans and lights are to be turned off. Air conditioning should be reset to 76 degrees. Heating should be reset to 66 degrees. All clubhouse doors should be locked. Turn lights and fans off in both bathrooms when leaving. **All doors now have keyless entry (using current entry code) and can be locked from inside or outside. To lock the doors from outside, please push the lock button.** Keep the Clubhouse secure. **If you use clubhouse and make popcorn, please discard popcorn bag in the OUTSIDE garbage can to ensure the clubhouse remains smelling fresh. If you have refreshments or snacks while using the clubhouse, please remember to put all refreshment items in the cabinets or in the refrigerator. Do not leave any items on the counter.**

Clubhouse Rentals – Rental requests must be submitted/approved by Doreen O’Connell. To obtain the rental agreement go to www.mysvtc.org and click on Board Approved Documents and Forms and click on Club Rental Rules & Rental Agreement. **A rental fee check for \$200.00 must accompany the Clubhouse Rental Rules and Rental Agreement form.** The form must be signed by the person who is renting and approved by a member of the Board. The form and a single check in the amount of \$200 must be received at least two weeks in advance of the rental date. The check is to be made payable to Stonecrest Villas of Tega Cay. **The \$200 rental check is applied as follows: \$125 is for the security deposit and \$75 is for the rental fee.** After the rental occurs and the Clubhouse committee representative deems that there are no damages to the Clubhouse, \$125 will be returned to the clubhouse renter. **NOTE: No business ventures, charity events, or fund raisers of any kind are permitted in clubhouse rentals.**

COMMUNITY INFORMATION

Clubhouse TV Remote – There is a **new remote for the TV** in the clubhouse. The new **remote is rechargeable**, and it needs to be **stored in its cradle on the desk**. Hopefully, this will eliminate the problem of dead batteries. It needs to be aimed at the TV to turn the TV on and off. Also, it has a built in delay so please pause a few seconds before pushing any other buttons.

Exercise Room Etiquette - Please wipe down the exercise machines and equipment after use. Towelettes are provided in the canister marked “Community Use.”

FIREPLACE – START/STOP

Pull down the black flap on the front of the log stand to expose the controls.

Turn the red gas line knob so it is parallel with the gas line.

Turn the middle knob marked “Pilot” to the right.

Push pilot knob in and push igniter knob (on right) in as many times as necessary to light pilot light.

Turn pilot knob so “Pilot” is on top.

Adjust flame height with knob on left.

Turn on wall switch to start fire (if not already on).

To turn pilot light off, turn red gas line knob so it is perpendicular to the gas line.

Residents Listing – Please remember that **ALL residents’ phone numbers, email addresses, and the security code for the clubhouse doors are CONFIDENTIAL and should NOT be given to anyone outside the community**. If there are any changes to the residents’ listing concerning phone numbers or email addresses, contact **Betty McCarty** at blmc@comporium.net or 704/231-0874.

Sunshine Committee – If you have information concerning yourself or a family member that you wish disseminated to the community, contact Doreen O’Connell at gigglesdor@aol.com or Natalie Lawson at tegay.nat@gmail.com or any member of the Social Committee.

SV Trader – “For Sale” items should be sent to: Betty McCarty at blmc@comporium.net or Sue Buckley at tomandsue@comporiu.net. Information will be described within the Ledger, but no pictures will be inserted.
