The Auburn Winds has been a part of the cultural fabric of the area for a number of years, and performs its many concerts free of charge.

While member dues help support the band, outside financing is needed for the band to grow and offer more live music, as an important part of the arts community.

Your generous support will assure that we continue to be a vital force in the arts and education community in the foothills, and will help us acquire new music, sponsor and encourage young musicians, and expand our outreach to area schools.

We depend on your tax-deductible donations to help us support and maintain the rich cultural heritage and musical traditions of American town bands.

You may donate on the website at: www.auburnwinds.org
