Course: Spooky Brook - Blue - R - Rating 69.7 Slope 121 Pc

Weather: Fog!!

It was foggy to start and got foggier as we went. Basically you could only see the ball 150 yards on most holes and on others you couldn't see the surface of the green from 100 yards. No balls were lost but we did hit a handful of provisional shots. Mike makes DGA history with 6 birdies as he holed in 195 feet of putts including 2 from the fringe. Mike had no idea that 5 was the long-standing record until he rolled in a 40 foot putt on #12 for his 3rd in a row and 6th overall and JP and JR told him. We managed to finish in under 4 hours just as the rain was coming in.
