ABOUT THE TEACHER

I have been teaching for over 25 years. Many of those years have been here at Liberty Christian School.

I love watching children grow and learn but my greatest joy is when I see them learning verses from God's word. I want them to know God loves them and so do we.

One of my favorite verses is:

Proverbs 22:6

Train up a child in the way he should go; and when he is old he will not depart from it.
