

YEARBOOKS

Update for those who ordered 2016 and 2017 yearbooks. Technical difficulties have continued to plague the 2016 yearbook for what seems like forever, and it is now expected to arrive in July. It's like Jaws, just when you think it's safe to go back into the water.....things continue to go rogue. 2017 yearbooks will follow in late August or early September, and 2018 will be back close to typical schedule with delivery in October. Due to delays in these books, orders for the 2018 yearbook will be taken now and again when we return to school in the fall. Yearbooks may also now be paid for on the on-line payment system. However, please return the completed form to school. I sincerely apologize for the delays and inconvenience. I am working diligently to preserve our memories.
