### MAKE EVERY DAY EARTH DAY.....Here are some tips:

- 1) Reduce lawns—use Florida native/friendly plants for landscaping...save water, chemicals, & fumes from maintenance equipment & vehicles.
- 2) Recycle simply and smartly—  
ONLY clean & dry plastics marked "1" or "2" in the triangle; **NO plastic bags or film; NO Styrofoam**  
ONLY clean & dry cardboard  
ONLY clean & dry drink and food cans without labels; **NO other metals**  
ONLY clean & dry glass drink bottles or food jars...clear, green, or brown; **NO other colors, NO ceramics; NO decorative glass**  
ONLY newspapers & other papers  
**WITHOUT plastic film windows; NO shredded paper**
- 3) **WHEN IN DOUBT, THROW IT OUT.** Pinellas County Waste will incinerate everything else in the waste-to-energy facility.
- 4) Current recycling technology and markets can't keep up with our perceptions of what "should" be recyclable.
- 5) Consider packaging when you shop.

*Condolences to the family of Marvin Ivey, long-time resident of Bay Hills, who passed away in April.*
