

Spring 2022

Dear Beth Judah Congregants, Members, Friends and Guests,

Rabbi Isaacs, the Beth Judah Temple Board, and the Health & Safety Committee are happy to announce the reopening of Beth Judah Temple for in-person services. Friday night services will begin at 7 p.m., and Saturday morning services will start at 9:30 a.m. In-person services are planned two weekends a month, supplemented with Zoom services on the other weekends.

The Health & Safety Committee, along with the Ritual Chair, have adopted the following protocols for those who attend services in person:

For those of you who are not vaccinated or not fully vaccinated, you may attend services, but from the time you enter the building until the time you leave, you must be fully masked with an N-95 mask.

For those who are vaccinated, we strongly suggest that you have at least two doses. We strongly suggest that you practice social distancing and wear an appropriate mask for the duration of the service.

For those who cannot attend services in person, for whatever reason, Beth Judah has installed a brand new camera system to allow you to attend in real time via live stream on the temple Facebook site. (Zoom will continue to be used for weekends *without* in-person services; in-person service weekends will utilize live stream on Facebook.) You do not need to have a Facebook account. Simply go to [Beth Judah Temple - Wildwood, NJ | Facebook](#) and shortly before the service start time, you will see a box with video.

We look forward to seeing you either in person or virtually!

Be safe and well,

Michael D. Brown, President
Dr. Brian Altman, Dr. Richard Goldhammer, Dr. Scott Maslow, Health & Safety Committee
Brad Altman, Ritual Chair
