In lieu of a group discussion, we'll be convening our annual meeting today after a short break!

The Center for Spiritual Living™ Greater Pittsburgh welcomes you into this spiritual consciousness and community.

Chant: I've got the power, you've got the power, we've got the power)

Chorus: I've got the power to make all my dreams come true

I've got the power - there's nothing I can't do.

I've got the power to be anything I want;

I've got the power inside of me...

I've got the power inside of me.

Everyday I'm wastin' my time thinkin'

that someone else is gonna do it all for me.

I've got to get up, get out, get it, just get started;

Take one step towards my destiny

I'll define my direction - with clear cut intention

Declare what will be and then watch it come to me, 'cause

Chorus

There are days when I feel that I'm just no good

days when I don't even want to try

But when I stop, look and listen and surrender

I hear a voice of truth, I cannot deny

It says "You know you can do it, just get down to it

Have faith in yourself and the will to see it through" 'cause

Chorus

In those times when I feel so frightened

and it seems like I just can't go on

I've got to look deep inside cause that's where I find

the power, the power, the power inside of me...
