## He Is My Brother

A distinguished clergyman was once vacationing in a Christian home in a neighboring city. The home consisted of a devoted husband, a faithful wife, and two loving children—a little girl seven years old, and a little boy of four. During his stay in this model home, the minister noticed how attentive this little girl always seemed to be toward her little brother. She would carry him over the rough places in the lawn where they played, hold him in her lap when he would get sleepy, and always seemed so interested in his comfort and welfare.

One of these errands of helpfulness so attracted the minister that he said to her, "He is very heavy for you, is he not, sister?" "No! he is not heavy," replied the little girl. "He is my brother."

This application of this little girl's philosophy of life is the heart and soul of the Gospel of our Lord and Savior, Jesus Christ. One is your Master even Christ and all ye are brethren. Heavy loads and hard tasks are made easy, only as we are moved by a sincere and devoted love for the brethren. Let us not strive, "for we be brethren."

At the heart of the gospel lies the fact that the Spirit founds life in love, therefore it brings unity and produces brotherhood. It is perhaps the tragedy of the centuries, that the gospel that was intended to unite, to heal, to produce a brotherhood, to make the world one, has so often been so changed that, in fact, it has been used to divide, to wound, to produce innumerable sects, and to make the world more disrupted than ever. Selfishness is the poison used in this program of suicide, and the little girl's attitude, "He is not heavy because he is my brother," is not only the cue to happiness but it is also the cure for selfishness. No one can contribute to the hurt of a brother without destroying himself. Selfishness will rot in his own hands somewhere down the line.

When brotherly love is lacking, the cause is always clearly stated, in the scriptures; and the cure amply provided for. The cause of the first clash between the disciples was their self-assertive attitude toward life. They did not sense the fact that Christ's greatest glory was not in His miracles, but in laying down His life—in self-giving. They understood not this saying because it is a spiritual attitude involving more than an intellectual act. So there arose a reasoning among them who should be greatest. Christian worker was clashing with Christian worker. Many of our church problems today start here. One Christian worker, realizing how difficult it was to get along with his colleague, at the close of a vacation, wired him as follows: "Be much in prayer, I'm coming home." It would be easy to be a Christian worker if we could be alone. But we are compelled to be related to others, and a Christian is one who gets along

## SANCTIFIED BODIES

By Evangelist Eugene K. Cornell

This is one subject that is not preached very often, and not many seek to receive it, yet we feel it is taught in the Word of God as much as sanctification of the soul of man. Many have lost the vision and how necessary it is to have a sanctified body. Let us look into the scriptures from God's word. In Proverbs 4: 20-23—"My son, attend to my words, incline thine ear unto my saying. Let them not depart from thine eyes, keep them in the midst of thine heart. For they are life to those that find them and health to all their flesh." Here we find if we heed God's word and incline our ears unto His sayings, it will be life to us and health to our bodies. Also in Prov. 3: 5-8, we find God promises us, "Health to thy navel and marrow to our bones."

Also in Jer. 17:14—we find that if God is able to save us and keep us saved He will also heal us and keep us healed. Surely if the sacrifice of the Son of God is able to save the soul of man, the same sacrifice and broken body will heal our bodies and keep us in health, even as He saves us and His grace keeps us saved.

Romans 12: 1-2, Paul writes to the Christians and calls them brethren, "I beseech you therefore brethren by the mercies of God that you present your bodies (not our souls but our bodies) a living sacrifice, holy acceptable unto God, which is your reasonable service." In this first verse we find Paul deals with the body of man and not the soul. Paul tells us we should present our bodies a living sacrifice Holy to God. Then in the second verse, Paul deals with the soul of man, telling us not to conform to this world, but be transformed by the renewing of our minds, that we may prove what is that good, and acceptable, and perfect, will of God. In 1 Thess. 4: 3 and 4, Paul tells us it is God's will even your sanctification, that ye shall abstain from fornication, that every one of you should know how to possess his vessel (our body) in sanctification and in honor. Surely it pleases God for our bodies as well as our soul to be sanctified. 1 Thess. 5: 23-24, "And the very God of Peace sanctify you WHOLLY, and I pray God your WHOLE spirit and soul, and body be preserved blameless unto the coming of the Lord." "Faithful is he that calleth you who also will do it." In these scrip-

tures we find that our WHOLE body is to be sanctified, wholly. He separates the spirit, soul and body showing that each one is to be sanctified, the body as well as the soul. I Cor. 6: 19-20, Paul tells us our body is the temple of the Holy Ghost which is in us which we have of God and we are not our own but are bought with a price. Therefore we are to glorify God in our bodies, how can we glorify God in our bodies if there is sickness and disease reigning. Again in Eph. 5: 29-30, we find no man hateth his own flesh, but nourisheth and cherisheth it even as the Lord cares for the church. For we are members of His Body, of His flesh, and of His bones. If we are Christ's body and of His bone and flesh how we, as God's children, need to seek and strive to obtain a sanctified body that we might have well and strong bodies.

In Phil. 3: 21, Christ shall change our vile body that it may be fashioned like unto His glorious body. Christ had a perfect body here on earth and it's our privilege to have the same through His broken body. We are not trying to do away with Divine Healing, it is wonderful when we are sick, our bodies racked with pain and fevered brow for God to reach down and touch us, yet there is a more excellent way, if God can heal our bodies, He is able to keep us in Health.

We teach sanctification of soul as grace to overcome sin and help us live a Christian life even so we preach sanctified body as a step to keep us above disease. Joel 3: 21, "I will cleanse their blood that I have not cleansed if we have clean blood or pure blood, it will fight off disease, so we will not be taking even disease we come in contact with. We will be tried on a sanctified body, even as we are tried on a sanctified soul, God said he would have a tried people. But every time we have ache or pain is no reason we have lost this experience but are merely being tried to see if we will resist even as we have to resist sin. Third John 1: 2, God says, "Beloved, I will be above all things that thou mayst prosper and be in health, even as thy Soul prospereth. So I will ask how do we receive this blessing? By presenting our bodies a living sacrifice, Holy acceptable unto God, which is your reasonable service. God does not require anything unreasonable of his children. Rom. 12: 1-2, It is the only way we can receive a sanctified s

and body is to present our **bodies** a living sacrifice to God, therefore it is impossible for us to receive a sanctified soul without receiving a sanctified body at the same time. For it is our bodies we present to God in order to receive a sanctified soul. When God sanctified our soul he sanctified our body and our spirit, as Paul tells us in I Thess. 5: 23-24. Remember man consists of three things, spirit, soul and body. Paul says God will sanctify our whole body. So if we do not honor His blood to cleanse our bodies when we receive a sanctified soul, then it is necessary for us to come before God again in prayer and honor His blood to cleanse our body.

well with others in the Spirit of Jesus Christ. The pagans want to govern. The Christian wants to serve. Which are we?

The cross is the only remedy for the self life. The old man must be crucified. Rom. 6: 6. Gal 2: 20. Heb. 13: 12, 13. The cross is the reconciling method between God and man, and between man and man, righting all their relationships, giving power to forgive injuries, to keep an unsoured spirit amid the deepest injustices, to overcome evil with good, hate by love, and the world by a cross. The Jesus way of finding life by losing it in sacrificial service to our brother, will one day hear Jesus say: "In-as-much as ye have done it unto the least of these little ones, ye have done it to me." "He is not heavy, he is my brother," is the way we feel when by love we serve one another.

REV. A. B. STANBERRY

EDITORIAL NOTE—Brother Stanberry is pastor of the Apostolic Faith Church, 909 Knox Street, (West End), Houston, Texas. All the readers in Houston are invited to attend service there.

Agonize is not a popular word in the vocabulary of the church. Organize appears to have taken the supreme place. But it is in Agonizing intercession that the real conflict is won.

"Evolution is the anesthetic which many pastors and educators are handing to the people today, in order to deaden the pain, while gently removing their religion from them.

Granby, Missouri.

Dear Brother Robert:

Greetings in Jesus' Name and praise unto God who gives us the victory thru our Lord Jesus Christ.

We are glad to report victory in the revival just closed Saturday night near Diamond, Mo. Praising the Lord for the salvation of between 15 to 20 souls and 11 sanctified, 19 were baptized in water a week ago Sunday.

We are praying God to send forth more laborers into His vineyard who will dare to stand for the Truth of the Gospel of our Lord Jesus in these days when many are failing to declare the counsels of God.

We expect to be in another revival very soon in this district, endeavoring to reach several communities, with a meeting before the camp meeting, so that there will be some more ready to deepen their lives in God during the camp meeting services.

There is a splendid interest being manifest in the camp meeting, both locally and abroad over the territory. We want you to earnestly pray that every plan and move will be under the leadings of the Holy Spirit that we may see a great time from the presence of God manifested to the drawing nearer unto Him and we may all go forth to battle the forces of evil and win souls, for I feel the night is almost upon us when our labors will be ended. Pray for the work at Granby and for us as we labor on in His service.

Yours in Christian love and fellowship.

Rev. and Mrs. Ralph A. Durham.

Dear Brother Robert:

We sure had a good meeting here. Brother Marcus Adair and Brother Lester Barker conducted the Revival. There was a good number saved, baptised in water, sanctified and two received the baptism of the Holy Spirit. There have been four saved and two sanctified since the meeting closed. The boys are in a meeting at Solia. It is about 16 miles northeast of here. They are having good crowds.

We would be glad if you could come out this way sometime this summer and show the pictures and hold us a week or two of meeting, or as the Lord leads you. Pray for us here and the Lord bless you in His service.

Your Brother in Christ,  
Jake Pletcher

Dear Bro. and Sis. in Christ,  
Greetings in Jesus' Dear Name!

Brother Robert, do you know someone that has a tent that would or could come to Springfield, Mo., and hold a tent meeting? I know where we can get a good lot just three blocks from us and I believe we could have a good meeting. I am praying the Lord to give us an Apostolic Church in Springfield, Mo., so if you can't send someone, pray that the Lord will send someone. If anyone is interested, have them get in touch with me.

He became so serious they had to move him to Laverne, Oklahoma. Everyone earnestly pray for this request.

#### EXCERPTS FROM LETTERS

Dear Brother Parham:

You will never know how glad I was the other day when I received The Apostolic Faith paper, and the little article of the Origin of the Apostolic Faith, by your father. As I read it and re-read it, tears rolled down my cheeks. The tenderness of the spirit in the year August, 1908, your father came to the city of Tulsa. You boys were quite small. I would love to tell you the whole story, but I can't but in brief, I was sick and afflicted, heart-broken and despondent—knew nothing about Jesus and His shed blood, but in the meeting was both saved and healed. Twenty-eight years I have been in the ministry and it has been a glorious time.

Yours in His Glad Service,  
Sister Zola Taylor DePriest,  
Michigan.

Brother Rnbert L. Parham,  
Baxter Springs, Kansas.

Dear Brother in Christ:

Greetings in Jesus' dear name. I received my sample copy of your splendid paper. You may, if you please, place my name on your regular mailing list as I like the paper real well. I am a newcomer to the Apostolic Faith from the Church of God. I was ordained a minister in the Church of God for 15 years, but they are not fighting the Gift of the Holy Ghost and the different Gifts of God that I now desire to line up with the Truth and get where I can use of God more.

I will be sending an offering for the paper as the Lord Bless. May the Lord Bless you in your work. I will write again soon.

Yours in Christian Love.

## DO YOU TITHE?

(An Eyeopener for Many Christians)

The above heading may seem to be a pertinent question, but every one should be able to answer it in the affirmative, for if we do not tithe we are in a way robbing God, for it is simply a debt we owe Him and surely God SHOULD be first in everything.

The writer took up this blessed tithing system over a quarter of a century ago and I can gladly testify that I am so in love with the plan that I would not think of advising anyone to do otherwise.

I had quite a surprise in this connection quite recently. A friend who had been reading up on the subject (a splendid thing to do) got under conviction not only to pay his tithe, but also to pay up his back tithing, which he figured out to amount to \$2,556.

He had quite a talk with me about the matter and decided to commence and pay up just as he could spare the money, and to show his good faith he paid in several dollars in just a few days. Could you see his smiling face you would soon decide that he was not sorry for the step he had taken. He reported to me later that he had been blessed in making several sales in a very short time, and that it seemed that God was helping him, then to show his sincerity and earnestness, he paid in \$15 more. A splendid example.

There is one thing ABSOLUTELY SURE—and that is, that we cannot outgive God—it makes no difference, whether it be money, time or talents. He will more than amply repay us.

Friend: Have you been robbing God all these years? See Mal. 3: 8. If so, right about face and try this plan of paying God His due, and just see how it works. I feel sure that every honest soul who tries this plan, will never want to go back into the robbing business again.

It is a very common thing for persons who do not tithe, to say with quite a degree of animation, "Oh! I pay more than a tenth," or "Everything I have belongs to God"; but then the truly honest way is to keep books with the Lord, so to speak, or at least to take out one-tenth of all increase as soon as it comes in—it is a safer plan.

I fear that many church members are failing at this point and, oh! what a sad thing to meet Jesus and be compelled to acknowledge to

Him, that you failed to do your duty along this line. Just suppose the church as a whole today followed this system. There would immediately be plenty of money for all necessary church expenses and a surplus for the mission field, too. No need then for suppers or bazaars.

Yours for souls,  
W. M. B., California.

SOME PAY THEIR TITHES WHEN DUE.  
SOME WHEN PAST DUE.  
SOME NEVER DO.  
HOW DO YOU DO?

## ANNOUNCEMENTS

Mr. Tony Drachenberg, a former Gospel singer who is known to many of our readers, purchased the Zaumseil Jewelry Store, in Webb City, Missouri. Mr. Drachenberg is a capable and efficient jewelryman and watch repairman.

It will be of special interest to our readers to know that we are contemplating on having photostatic copies made of the old newspaper clippings, accounts of meetings, etc., how God wonderfully blessed in the outpouring of the Holy Spirit 39 years ago, and how the message and the Truth was received by the people then. All that may have old newspaper clippings or articles that would be of special interest for reproduction, we would appreciate receiving them, to add to the great collection we already have. These clippings are prized very highly by the older ones of the Faith, and will be of great interest to all Full-Gospel people. Any offering toward this work will be greatly appreciated.

### THE DEAD SEA

The Dead Sea is about fifteen miles from Jerusalem. This remarkable lake is forty-seven miles long, and its greatest width is ten miles. It is 1292 feet below the level of the Mediterranean Sea; and is therefore, the deepest natural depression. The area is approximately 300 square miles, and its depth 1300 feet. The name Salt Sea or Dead Sea has been given it because it is so salty that little animal or plant life is able to exist in it. One-fifth of the weight of the water consists of dissolved matter. Thus, if five pounds of the water are evaporated, a pound of salt is obtained. The water of the Dead Sea is eight times saltier than ocean water. Because of the high temperature of the desert air, evaporation is rapid. Therefore, the salt is easily recovered. In the sun, the temperature of the water rises to 167

mation was received by the author in a letter from the United States Geological Survey: "The analysis of the saline matter of the Dead Sea is as follows:

Sodium .....	11.7			
Magnesium .....	13.3	percent	NaCl .....	29.2
Calcium .....	4.7		MgCl2 .....	51.0
Potassium .....	1.8		CaCl2 .....	13.1
Chlorine .....	65.8	or	KCl .....	3.4
Bromine .....	2.4		MgBr2 .....	2.8
Sulphate .....	.3		Na2SO4 .....	.5
	100.0			100.00

"The gross amount of brine in the Dead Sea is about 370 billion tons, of which about one-fifth or 74 billion tons is dissolved matter. The quantities of the different salts may be computed from the percentages given above. Sodium chloride is quoted around \$2.90 a ton, potassium chloride \$20, calcium chloride \$18, magnesium chloride at \$20 a ton and bromide at about twenty cents a pound, wholesale."

### The Value of the Dead Sea

The value of the 74 billion tons of salt may be easily understood by the following chart:

Value per ton	Name of Salt	Percent	Total amount of each Salt in the Dead Sea	Value of Wholesale Prices
\$ 2.90	Table Salt	29.2	21,608,000,000 tons	\$ 62,663,200,000
20.00	Magnesium Chloride	51.	37,740,000,000	754,800,000,000
20.00	Potassium Chloride	5.4	2,516,000,000	50,320,000,000
18.00	Calcium Chloride	13.1	9,694,000,000	174,492,000,000
	Sodium Sulphate	.5	Value not stated by the United States Geological Survey.	
400.00	Bromine in the Magnesium Bromide	2.4	1,776,000,000 tons	710,400,000,000
				<u>\$1,752,675,200,000</u>

That is, \$1,752,675,200,000.00 is the value of the mineral salts of the Dead Sea according to figures submitted by the United States Geological Survey.

degrees. However, the water in the salt pans is even warmer than that of the air.

We are interested in the Dead Sea because of the role it is destined to play in the history of the world. Few people are aware of the great wealth dissolved in this historic body of water, and a lesser number understand the significance of this—the world's greatest asset in natural resources. Scientific research has discovered this hitherto practically worthless desert lake to be the most valuable prize a nation might possess.

On November 18, 1936, the following infor-

Let us compare this with the wealth of the United States. According to the Bureau of Census, "the assessed valuation of all property in the forty-eight states and the District of Columbia subject to levies of the general property tax was \$163,317,104,000 in 1932." Thus, the wealth of the Dead Sea is more than ten times the assessed valuation of the entire United States of America.

Let us consider what role this vast deposit of wealth in mineral resources may play in future history. Is it not logical to believe that it will act as a decoy to draw the nations against

### OBITUARY

Mary Esther Regier, daughter of Mr. and Mrs. George Regier, was born July 25, 1923, at Perryton, Texas. Following a short illness she departed this life May 11, age 15 years, 9 months and 16 days.

She was converted at the age of 10 and lived a consecrated Christian life until death claimed her. Her prayers of faith and her trust in God are a great consolation to the bereaved. She leaves her parents, five brothers and three sisters, and a host of other loving relatives and friends.

Any dead timber will catch fire; but a green tree withstands the fiery onslaughts.

Jerusalem to battle and thereby fulfill prophecy? The nation that possesses this great asset may regard itself as the favored nation. WHEN THE WORLD ENGAGES IN ANOTHER WAR, THE DESIRE TO POSSESS THIS GREAT PRIZE WILL EVIDENTLY DRAW THE NATIONS TO THE FIELD OF ARMAGEDDON.

Major Edward Keith-Roach, District Commissioner of Northern Palestine, states that the yearly production of potash will eventually reach 100,000 tons. (National Geographic April, 1934). Here is the fertilizer to make the desert "blossom as a rose." The world shall say, "This land that was desolate is become like the garden of Eden." Less than one-third of the 74 billion tons is common table salt. The other salts are valuable minerals. The nation that controls the Dead Sea will have potash for munitions, poison gas for warfare, and many valuable chemicals for their varied industries.

Ezekiel gives a striking prophecy in chapter 38 of the invading of Palestine in the latter years. THERE NEVER HAS BEEN SUCH AN INVASION OF THE PROMISED LAND. BUT IT IS DESTINED TO OCCUR IN THE NEXT WAR.

It is reasonable to believe that the wealth of Palestine will bring the nations against Jerusalem to battle. The struggle that is impending and inevitable is the subject of numerous scriptures. Many prophecies will be literally fulfilled. THERE IS NOTHING MORE CERTAIN TO OCCUR THAN THE FULFILLMENT OF A BIBLE PROPHECY. God has exalted His Word above everything. The thorn-crowned Nazarene alone was able to say, "Heaven and earth shall pass away but my words shall not pass away."—Matt. 24: 35. "Forever, O Lord, thy word is settled in Heaven."—Psa. 119: 89.

Agonize is not a popular word in the vocabulary of the modern church. Organize appears to have taken the supreme place. But it is in Agonizing intercession that the real conflict is won.
