#### **Tournament News**

The Individual Low Net went well except that it was a very long day. It did not help that the electricity was out. I rushed to the first tee because someone on the practice green told me I was late. Actually I wasn't late but the circumstances were that a twosome had just teed off and the rest of my group was not yet on the tee. I mistakenly thought that the twosome was my group. I whistled and then in a hurry teed off into them thinking I had to catch up. Well, much to my surprise, Jim Walsh walked over from the range and I realized I had teed off into the wrong group. Sorry Ken and Shanks. The good news was I holed out a 70 yard shot on number 17 which held up for a skin. The day wasn't a total loss. I understand that the field moved along pretty quickly and I got a couple of player compliments regarding how well things went. Thanks to you all for doing your part.

One thing I would like to ask is if you know you are not going to make it please phone, leave a voice message, text message, or an email. We waited an extra 15 minutes for two players who did not show. We were at the table for 2 hours 45 minutes. It also impacts our ability to warm up so please have some consideration.

Next month our tournament is a two man Modified Pinehurst event. Get your partner lined up and sign up early. It is only a short time until May 10<sup>th</sup> so don't wait too late to get your entry in to me. It is difficult when people sign up late because once the field has been set it can affect everyone for me to make changes. This is especially true in a partner event.

For those of you who have not signed up for the Laughlin trip, contact Gary Roerhig and he still may be able to get you in. The sign up deadline has passed and, like me, I am sure he will do his best to get you in. So don't wait any longer or you will miss out. The dates are May 16 – 18<sup>th</sup>.

Warning: In Tournament events, all competitors need to sign their scorecard and ensure the marker has signed as well. If you are in a team event, both competitors should sign the attest line. In the future audits when I find this has not been done I am going to initial the blank line with my Initials.....DQ

## **Handicap News**

With the power out at the course for the April 19<sup>th</sup> tournament, scores could not be posted in the golf shop. Not to worry – I posted all the adjusted tournament scores later, and scores posted online have been updated to reflect a tournament score if it was not entered that way. Thanks to everyone for your patience. If you have a question regarding your entered score, contact me directly before April 29.

Every month the board reviews scores handicaps of some members – those which have outstanding performances in tournaments, or otherwise draw our added attention. Currently, we are reviewing scores for 7 members. Last month one was removed from this list and another one added. We will continue to monitor these players and make handicap adjustments as needed in the future.

I received an email from SCGA regarding the slow score posting software. GHIN is aware of the problem and are trying to fix it. There is no timeframe for the fix. The problem is not due to local computers or internet connection. Until the problem is fixed, real-time posting is being limited during peak daytime hours, so you will not see your score immediately. Remember that you can now post your scores from home, just don't forget to post.

Congratulations to the April Tournament 50/50 winners, Mel Fekin, Dave Devries and new member Jose Saucedo!!

April's derby was another BIG success with the team of Harry Jiores and Mike Feinman walking away in victory, with a par of the fifth and final hole hole!

Special thanks to Dan Hughes, who brought us dinner from Casa Sanchez in Ontario. People are still talking about the guacamole.
