WITH A SMILE

ERASERHEADS

Slowly in 2

lift your head, ba-by, don't be scared of the things that could go wrong
 a-long the way you'll get by with a smile.
 you can't win at ev-ry-thing but you can try. ba-by, you don't have to wor-
 -ry 'coz there ain't no need to hur-ry. no one e-ver said that there's an ea-sy way.
 when they're clo-sing all their doors and they don't want you a-ny-more, this sounds fun-ny but i'll say
 it a-ny-way. girl i'll stay, through the bad times
 e-ven if i have to fetch you ev-ry-day. i'll get by if you smile.
 you can ne-ver be too hap-py in this life. in a world
 where ev-ry-bo-dy hates a hap-py en-ding sto-ry, it a won-der love can make the world go roun-d
 and don't let it bring you down, and turn your face in-to a frown. you'll get a-long
 with a lit-tle pra-yer and a song. tu-du-du-doo. tu-du-du-doo.
 tu-du-du-doo-du-doo-du-doo-du-doo-du-du-doo. let me hear you sing it. dooh. in a world
