

Hints *for* Cavaliers *and* Their Parents

- **Come to all booster club meetings and volunteer. Everyone's participation is needed for a successful year.**
- **Additional expenses to consider: Big sister/little sister gifts, extra costumes, solo fees, extra tights, banquet tickets, pictures, ads for spring show, spring trip, make-up, fundraisers.**
- **Keep all your costumes in one place! Have your hanging bag ready to go. Let the bag and costumes air out after every use..Febreeze. Gently wash anything you can.**
- **Bring a camera to all functions. They are fun, and the pictures will be used on the website and for slide shows.**
- **Have a question? Ask a board member or the New-New Liaison. There are no silly questions! Double check to see what is required of your daughter.**
- **Volunteer! You will help your daughter to have a fun, organized year, and you will know more details about current events. You will get to meet other parents.**
- **Check the website at least twice a week! Changes and additions can occur daily. This is so much easier than waiting for your daughter to tell you what is happening.**
- **Update your phone and email with the booster club if they change. We can't contact you if we don't know them.**
- **Enjoy the craziness.**
