### Senior Colts vs. Raiders

# Junior Bills vs. Chargers

This week the Junior Bills faced the Chargers and had probably their best overall game of the season. The Bills cut down on mistakes and had only one penalty for the game. The Bills defense was strong, as it has been all year, but the offense stepped it up this week and put together multiple long, successful, clock-killing drives. The game started with the Chargers moving the ball down into the Bills side of the field, but the Bills defense stiffened and stopped the Chargers from scoring. The Bills then took the ball and marched down the field and scored on a long run from Ryan Buto. The Bills defense proved strong again, stopping the Chargers from advancing the ball. Next, it was brother Kenny's turn (Kenny Buto), to score. Kenny took the opening second half kickoff all the way back for a touchdown.

The Bills defense was led by their defensive line with Oscar Medrano, Levon Lang and Alex Fortunato, each getting multiple flag pulls. Jared Segal led the defense with six flag pulls, a high for Jared for the season.

On offense, Chris Lymberopoulos lead the team in rushing and also had three completions. Nick Gougas notched his first catch and his first run of the year. The Bills were able to score again on a late touchdown run by Kenny Buto.

The Bills finished strong and were able to hold off a well coached Charger team. Great job by both teams, who played hard and had fun.

# Junior Chargers vs. Bills

By Ricardo Stelzmler

It was a cloudy gray day as we headed towards the friendly confines of Redwood Stadium for the Chargers game against the undefeated Bills. Charlie looked at me and said, "Dad, it's a beautiful day for football." We pulled into the parking lot and headed towards the field.

After warming up, the Chargers won the coin toss and set up to receive the kickoff. The Chargers tried to get a spark going by using a lateral play from Josh to Ethan on the kickoff but the Bills were ready and flagged Ethan before he could advance the ball. The Chargers had more in store for the Bills. On the first play from scrimmage they went for a long bomb from Ethan to Grant and gained about 20 yards. After a few more plays they were facing 3<sup>rd</sup> and long. Ethan rolled left, cut back right, and following a series of great blocks he zigzagged through the Bills defense for 25 yards. On the next series the Chargers got 9 yards but could go no farther and turned the ball over to the Bills on downs.

The Bills had some moves of their own and went for 40 yards on the first play. Ethan made a TD saving tackle on the Bills RB. But the Bills got the TD on the next play as they went 15 yards on a run up the middle.

The Chargers received the kickoff and started their next drive from their own 30. On 3<sup>rd</sup> and long the Chargers ran an option pass and Josh made a great throw to Grant, good for 40 yards. The long bomb was working today. But once again the Chargers ran into the Bills defensive roadblock. There would be no touchdown on this drive. The Chargers' defenders made some of their own great plays. Chandler had a TD saving tackle. The first half drew to a close as the conditions on the field began to get cold and windy.

The Chargers came out with great enthusiasm for the second half. But the Bills had an answer for it as they ran the kickoff back for a TD. After a short Chargers series the Bills went to work again on offense. The Chargers defense again played well, including a sack in the backfield by Ethan. But the Bills kept driving and soon scored again.

There was no quit in the Chargers though. Josh had a great 40 yard return on the kickoff and within a few plays Ethan had a 15 yard scramble that resulted in a great TD. The score was now 18 – 6 Bills. The Chargers defense was again up to the task and soon Ethan made an interception. The Chargers offense tried hard to advance but couldn't get into the end zone. The Bills got the ball back but could only go backwards. Josh sacked the Bills QB for a 15 yard loss as time ran out on the game clock.

The Chargers came up short on the scoreboard but scored big in everyone's hearts as Chandler Stewart, Charlie Stelzmler, Chase Walian, Ethan Stroh, Grant Napierala, Jeff LaCroix, Josh Williams, Lex Marcroft, Shane Nave, Tommy Kerr, Trent White, and Tristan Hicks played another great game on both sides of the ball. It was a great effort from start to finish. The sun started to break through after the game. It started to warm up a little. Yes, it turned out to be a great day for football.

## Junior Giants vs. Saints

*The Giants receive the ball and score!* - During week 6 of the season, the Giants faced a tough Saints team. During this early morning game, the Giants spirits were filled with optimism and belief in execution. This was demonstrated on the first play of the game when well executed blocks by the team allowed the Giants receivers to carry out a reverse play which culminated in a 60+ yard run and TD from **Austen Debolt** (6-0).

During the next play, the Giants defense stood strong with an interception from **Jack Smiley**. The possession allowed the offense to get back on the field and do what they do best, score (12-0). This time the TD came after great catch from **Tyler Brabant** which gave the Giants a 30 yard gain; followed by a dashing 12 yard run and score from **Freddie Ricketts**.

The rest of the game was controlled by the Giants' defense. Blocks and stops came from all areas including the defensive line comprised of **Myles Hunter, Victor Cano, Max Barnett & Nate Brady**. Great flag pulling was demonstrated by **Ethan Harrison** and **Noah Hosaka**, with an interception coming from **Tyler Brabant** during the end of the third quarter. The offense kept a steady pace due to yard gains and multiple first down achievements from **Grant Hoffman, Austen Debolt, and Freddie Ricketts**. After an exhausting game, the Giants were able to maintain their opponent scoreless understanding that the W was driven by teamwork, **GO GIANTS** (24-0).
