RULES AND INFORMATION

Show Manager has complete control over all rules

1. **Order of Go:** once all entries are received the Order of Go will be emailed to the Coach within 5 days to all teams. You will have 48 hours to respond with any changes (number of riders, team name or your position in the Order of Go). After that time, no changes will be made to the Order of Go and we will give no extra time for tack changes, etc. at the competition.

2. **Arena Time:** Arena time will be on a first come, first served basis and is limited to 20 minutes per head Coach. Additional 20 minute practice times can be used if there is not a team waiting for arena use. A sign up sheet will be available at the show office. Please be courteous and respectful of your fellow Coaches by exiting at the end of your arena time if someone is waiting. **Show Management will not be playing music during arena time and the announcer booth will not be open.**

3. **General Scoring:** SEMDTA uses the ranking system to determine placings for all classes.

RANKING POINT								
For Example: there are 3 teams in a class								
	Judge 1 Score	Judge 1 Placing	Ranking Pts	Judge 2 Score	Judge 2 Placing	Ranking Pts	Overall Total Ranking Pts	Overall Placing
Theme								
Team A	585	1	3	530	2	2	5	1st
Team B	581	3	1	550	1	3	4	2nd
Team C	583	2	2	510	3	1	3	3rd

Ties will be broken based off the Judges scoring starting with Execution of Drill, Degree of Difficulty and then Horsemanship.

4. **State Placings:** this is an accumulation of ranking points from the September, November, and February shows. The team with the overall highest accumulated ranking points in ALL OPEN classes (Quad Open, Quad Theme Open, Theme Open and Freestyle Open) and having missed only one show will be named the SEMDTA State Champion. ***You do not have to be from Georgia to win the Georgia State Championship.***

5. **Regional Placings:** SEMDTA will use the ranking system to determine placings for all classes. The team with the highest accumulation of ranking points in ALL OPEN classes (Quad Open, Quad Theme Open, Theme Open and Freestyle Open) for the competition will be announced as our SEMDTA Regional Champion.

6. **National Placings:** SEMDTA will use the ranking system to determine placings for all classes. The team with the highest accumulation of ranking points in ALL OPEN classes (Quad Open, Quad Theme Open, Theme Open and Freestyle Open) for the competition will be announced as our SEMDTA National Champion.

7. **Overall High Point Placings:** this is an accumulation of ranking points in each Division for all five SEMDTA shows (September, November, State, Regional and National). The Overall High Point team per Division will be the SEMDTA Overall Division Champion (Green, Novice, Youth/4-H, Adult, and Open). To be eligible for the SEMDTA Overall Division Champion a team can only miss one show and must compete in Nationals. *In order to receive points for the Overall Division High Point placings Coaches must enter the same team name consistently throughout the year.*

MUSIC RULES

- All music must be on separate cd's for each class (*see rule number 5*). No cassettes or thumb drives may be used. It is recommended to have 2 copies of each cd: one to be used during competition, and one for the Head Coach as a back-up.
 - Each cd must be in a paper sleeve (not hard case).
 - The cd cannot have a sticker or paper label on the actual cd. These have resulted in music not working properly at different venues.
 - It is highly recommended that iTunes is not used for your music due to various codes being imbedded into the music and not allowing them to be recognized at the venue.
- Music and introduction must be turned in at registration. **Failure to turn in your music and introduction in proper format at this time will result in a 10 point penalty for each class for which music and introduction (where used) are not submitted at this time.**
- Introductions (if you have one) not included in the music track must be typed and double spaced in a 12 point font to avoid a 10 point deduction per Judge.
- Each class should have a separate typed introduction (where used) and a separate music cd. The introduction and music for a single class must be recorded on the same cd and they must be combined into a single track. Example: If a team rides to the same music in class 5 and class 15, two separate cds and envelopes are required.
- Music and introductions for each class must be separated into separate 8 ½" x 11" envelopes (not 5 x 7 or 11 x 13). Music and introductions cannot be shared between classes. Each envelope must be labeled with the following information in this order:
 - Team Name
 - Class Number (can be found on Order of Go)
 - Class Name (can be found on Order of Go)
 - Day and Date
