### **New Business: Community Questions and comments**

1. Can we replace the life ring? (Prior one stolen) Safety concern. Yes, it will be replaced
2. Even though there is security it is not 24 hours...please do not leave items overnight in boats
3. People booking parties will need to sign a contract starting 2017 season
4. Dogs MUST be picked up after
5. Trash and Porto pottis last day is 10/23/16
6. ABSOLUTELY NO leaving behind plastic toys, chairs, slides, picnic tables, lounge chairs etc.....if it remains behind it will be disposed of by the board, even if it is "hidden" it will be removed
7. Members are responsible for their guests and actions; all on the beach follow the same rules including replacing chairs back to the wall, filling in holes in the sand; stopping guests from throwing the sand and rocks into the lake and reminding guests that the boat docks are for boaters. It is NOT a fishing or sunbathing dock. Period.

**Meeting adjourned 3:31 Bobby**
