

VIRGO REVELATION 12 JUBILEE

PENTECOST ANNIVERSARY OF 6-DAY WAR

The purpose of this illustration is to chart astronomically the commemoration of the 50th year anniversary of the liberation of Jerusalem during the 1967 Six Day War in Israel. The anniversary is based on the 365 day/year count. The Jews celebrated this anniversary on May 25, 2017 according to the *Rabbinical Calendar*. Within the context of this prophetic milestone, the anniversary will be pegged to the *Great Sign of Virgo* as depicted in Revelation 12 and many believe will be realized astronomically on September 23, 2017. What is most notable to observe is that the planet Jupiter in the constellation of *Virgo* appears to take center-stage both in terms of time and its station on the *Ecliptic* during the season of Pentecost. In particular, the retrograde of Jupiter concludes on June 9, 2017. This illustration will try to show that what the original *Mazzaroth* or Zodiac depicted was the narrative and storyline of the coming Messiah, Jesus Christ.

Each constellation, their names and stars tell of the *Redemption Plan of YHVH* for Abraham's race, not Fallen Angels, nor any other race that could be found in the *Cosmos*. The constellation *Virgo* in this context is Israel and Jupiter is Christ the Redeemer, etc. The constellation of *Virgo* is composed of 12 stars that reflect the 12 Tribes of Israel, or sons of Jacob. Thus it is prophetic that in the 50th year of the liberation of Jerusalem and the Temple Mount, the King Star of Jupiter, the one that has the 'stripes' and piercing wound as the 'Red Spot' of Jupiter happens to be right at the center of *Virgo*.

This time and position of *Jupiter* is just after the historical dates of the war from June 5, 1967 to June 10, 1967, that the *Temple Mount* and the Old Jerusalem sector was recaptured by the Jews. This portion of the land in Israel had not been under Jewish control since 70 AD when the Prince that came, Titus destroyed the Temple, the City and exiled the Nation.
