Linda, No, other than Pizza in the Park with Police and trading cards with Chief Pruitt, the rest of the schedule was not discussed at a Commission Meeting. It was, however, forwarded to them for their notice and/or comment, thence the date change in January. We will put it on the agenda for the June 8 Commission Meeting.

Please note that I have copied the Commissioners and others.

Thanks,

Mayor Dan

Mayor Dan – Per the JIC Social Committee minutes that were forwarded to you earlier in the month, have the Commissioners approved the following list of functions. [COVID-19 taken into consideration that some of these may not happen].

Pizza in the Park with the Police – September 12, 2020. Police to roll-out their “baseball” cards for each officers and announce the contest about the cards. Corn hole contest and pizza!

Neighborhood Little Free Library – See attached examples of a “little Library” that the committee members were thinking of placing in the town park. Someone will be responsible for managing “the library” to

check if the books are appropriate. I will have someone to volunteer to make the box but it will not happen until one can “touch” things! I’ve attached some samples of Little Libraries.

November 2020 – Beach Clean-up in morning and outdoor movie night at Jupiter Inlet Beach Club with Dune Dog Truck for meal.

January 25, 2021 – General meeting, changed from January 11 to January 25. It will be a town meeting and a debate forum instead of a speaker, refreshments afterwards.

March 2021 – Community Party. Date and theme TBD.

Thank you and I look forward to hearing from you. Stay healthy!

Linda Fisher-Faiola
