

Chemical Sourcing Catalog

Thank you for your inquiry regarding TCS chemical sourcing services. The following pages represent a comprehensive listing of potential chemicals for sourcing. Please let us know if you need a particular chemical not listed—we update our lists regularly.

As a distinct resource of raw materials for the pharmaceutical and nutritional industries, TCS Pharmaceutical Enterprises has experienced tremendous growth by focusing on our customers' success. Along with locating the highest quality pharmaceutical-grade chemicals from FDA approved facilities, we provide our clients:

- **THE FINEST CUSTOMER SERVICE IN THE INDUSTRY.** Your requests for research regarding various specialty, discontinued or back-ordered drugs, market shortages or chemicals for discontinued medicines is our sourcing expertise.
- **THE ABILITY TO LOCATE HARD-TO-FIND MATERIAL.** Our Chemical Sourcing Catalog gives you a brief overview of the materials we can source for you quickly. Of course, please let us know if have any requests not listed.
- **PROMPT DELIVERY** on most materials depending based on availability from TCS sources located around the world.
- **PERSONALIZED SERVICE NO MATTER WHAT YOUR NEEDS ARE.** Whether 10 kgs or 100,000 kgs, TCS will go the extra distance to locate your requests surpassing your expectations for complete satisfaction.
- **PRICE.** We are committed to obtaining the most competitive pricing on your behalf. Please ask us about incentives to save even more on your purchase. Your companies' growth is our goal; lowering your overhead is a simple way to increase your profit.

From chemical sourcing to formulations requests to technical support, our well-trained staff is available to assist you with all your compounding needs.
