## ALL HANDS ON DECK!

Two of our largest fundraisers are happening this coming weekend. If you are already not doing something for either the car auction or the golf tournament, now is the time to act. If you are too busy to participate in either event, then you can donate to the cause.

Lion Bill still needs tee sponsors and raffle prizes for the golf tournament Friday. He has been organizing this pretty much on his own with help from the golf committee, but still would appreciate our help. He needs raffle prizes—

## **LAST MEETING**

We welcomed visiting Lion Warren Heathman, PDG, Downtown Portland, Oregon Lions.

Our guest speaker was Greg Purdy, Public Affairs Manager at the Palm Springs Aerial Tramway. He informed us of the history of the tram. The board of directors is primarily interested in improving and maintaining the facilities.

They have recently installed new water tanks and a \$700 million dollar parking system. They've also upgraded all utilities.

Another project in the works is the establishment of a Tramway Museum. They will welcome donations of any artifacts related to the tram.

Last year the tram had over 600,000 riders, a new record. Over twenty million visitors have used the tram since its opening.

Special events at the tram include:

- Tram Challenge (31 years)
- Thanksgiving weekend
- Holiday choirs
- Easter services
- Military days
- Stage shows (in development)
