As the summer temperatures continue to soar, not many a mind is focused on the upcoming school year. However, as I write this, there are barely over three weeks of summer vacation left. So, we here at the school are getting more and more focused as the days go by. We have several new students enrolled for next year. Let's hope all goes well and we keep getting new students. Hopefully, people may start to realize what a great alternative we are to traditional public schools. Some kids simply do better in our environment. We are also introducing our After School Enrichment Program this year. Amy Davies will be the Director of our new program. She is assuming the new position with a lot of enthusiasm and experience. Let's all welcome Amy aboard and wish her the best of luck in her new job within our St. Joseph Community. We are currently unpacking our book orders, supplies, etc. Mrs. Burton has been busy, as always, stamping and sorting everything into teacher bundles. She is working on bulletin boards, cleaning, and still performing her daily duties as secretary and ASP clerk. I have to give credit where credit is due: I have worked with two of Jim and the late Barb Swain's daughters here at St. Joseph's, and they are two of the hardest working girls I know. So, thank you Jim and Barb, that isn't usually a habit you pick up on your own. You know, there is so much that goes on during the summer at school that people don't notice, or even know about. Ryan Gabriel, our custodian, has been shampooing carpets, stripping and waxing floors, along with setting up the Convo Center for numerous events, cleaning up after them all, and generally getting the buildings cleaned and ready for the first day. Steve Marek and John Link have been up numerous times working on this or that. Steve spent the better part of two days up here, that I know of, when our internet and phones went down. The teachers have been in and out sprucing up, and setting up their classrooms. The Ed Choice Expansion Scholarship program opened a July application period this year so we've been busy processing and uploading applications and supporting documentation. We can certainly thank the state for giving this opportunity to so many qualifying Ohio families. So as summer break winds down, please keep our school in your thoughts and prayers. We are looking forward to another successful and exciting school year, and because of your prayers and constant support, we are confident that there will be many more to come. Thank you all for everything you do to keep St. Joseph School alive and well.

Sincerely,
Dan Salvati, Principal
