*'That which we must say to a crowd is—We worship a God, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th degrees—The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian Doctrine. If Lucifer were not God, would Adonay whose deeds prove his cruelty, perfidy and hatred of man, barbarism and repulsion for science, would Adonay and his priests, calumniate him? Yes, Lucifer is God, and unfortunately Adonay is also god. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods...and the true and pure philosophical religion is the belief in Lucifer, the equal of Adonay; but Lucifer, God of Light and God of Good, is struggling for humanity against Adonay, the God of Darkness and Evil.'*—Albert Pike

The purpose of this study is to contribute to the wealth of information and the deciphering efforts of unveiling the Luciferian secrets of the District of Columbia, or Isis. Since the *New Atlantean* capital was designed by the Freemasons, many over the decades have attempted to expose the Luciferian and Satanic stronghold this piece of real estate has in terms of sacred geometry incorporated into its monuments, buildings, and street grid layout. To list a few findings, there has been the notable discoveries of the 'Bohemian Owl' motif encompassing the Capital Hill, reminiscent of Capitoline Hill of Rome. There is the *Christ Angel* or Pythagoras Triangle of Pennsylvania Avenue. There is the Washington Monument which is an enormous Egyptian obelisk that is 666 feet high, all in-compassing with 555 feet of it above ground, etc. There will always be that 6 to 5 ratio that corresponds to the hexagram and the pentagram, a model of the comic world, *As Above, So Below* notion and axiom of Creation.

Many have also contributed greatly in deciphering the Great Pyramid of Egypt blueprint that is incorporated in the heart of the *District of Columbia* with the *Ascending Shaft* corresponding to the *Pennsylvania Avenue*, etc. Then there is the famous 'broken' Pentagram just north of the White House on which it is the fulcrum. Many others have also revealed a Templar's Cross, a hexagram whose circles on the Washington Map corresponds to the 19.47 degree *Tropics* of the Earth, etc. Within recent years, others have discovered that the Cydonia, Mars pyramid complex has the same layout as that of the core of the District when including the Pentagon and the Roswell, Virginia development. It is certain that the capital and monuments dedicated to the young American Nation of the United States was not dedicated to its supposed Judeo-Christian heritage but it secretly pays homage, in plain sight to the god of the Luciferian overlords of the present evil age and who control and rule on behalf of 'Columbia'.

## Luciferian Markers bound by Time

The main contribution that this study seeks to present is to recap the previous disclosures and present a latest numerical cryptic association that is linked to the 322 secret society of the *Skull and Bones*. In previous illustrated studies, the main disclosure has been the 'pyramid' that is construed within the *Washington Mall*. At the base is the *Washington Monument* 'scarab' resurrection motif that functions much as the 'phallus' of Horus' or Nimrod. There is also the World War 2 National Memorial that from a top view appears to be laid out in a *Skull and Bones* motif. The whole breathe of the Mall to include the *Capital Hill*, as the 'head' and the Lincoln Memorial as the 'feet' portrays an anthropomorphic 'Vitruvian Man' or in this case the unassuming preparation of the resurrection of 'Nimrod', the first Mason, etc. Specifically to the Mall, it is delineated into 13 sections all housing the most prominent museums in the nation.

The apex just before reaching *Capitol Hill* appears to suggest a 'skull' motif, as that of the cross and bones persuasion that the Luciferians mock the crucifixion of Jesus with. The '13' also corresponded with the *13 Crystal Skulls* that toured that nation in 2013 to raise the ancient spirits of the Nephilim Giants. In essence, the 'Mall Pyramid' is a clock that is counting down. Counting down to what? It is to the time when the Skull and Bones, the worshippers of the Pentagram, the Luciferians and to include the Talmudic Warlocks and Wizards will complete their 'Great Work' and establish their Prince, Lucifer as king over the entire world. It is hard to pinpoint that year as the range can be from 2016 that corresponded to the year 5776 where many believed the 'work' was to be completed. It can be the case that the range is from 5776-5778 or 2016-2018.

Thus the owl motif at the capital is befitting a cryptic layout of how Lucifer is the god *Molech* for example, the god of abortion, etc. He is the 'father of time' and is *Chronos*, Saturn that is typified by the grandfather clock in the iconic pictures of the pledging class of Yale's *Skull and Bones* secret society. If one acknowledges that such membership or disciples believe that Albert Pike, for example was the Masonic Grand Master in America and wrote *Morals and Dogma*, and all that is written is true, then by deductive logic, what Pike taught and revealed about Lucifer is true for its disciples. That truth concerning who Lucifer is to them, is that 'he is god' and moreover against Adonai or the GOD of the Bible, YHVH and the Son of GOD, Jesus.

For example, one reason the *Skull and Bones* use 322 as sign is that is exactly 322 degree heading and 666 meters from the *Holy of Holies* to the spot Jesus was crucified at the base of *Golgotha* in Jerusalem. This is assuming one subscribes to the 2 suppositions that the *Holy of Holes* is where the *Dome of the Tablet* is at and that the crucifixion site is where Ron Wyatt discovered the cross socket-point, etc. It is for this reason that such Luciferian secret societies mock Jesus cryptically and in plain sight. As Manly P. Hall also instructed the Luciferian discipleship, they use Christianity, its vernacular, its symbols to a degree and definitions to mask their 'Great Work' which is deception, lies to cover-up the real work of their father, Lucifer with is to kill, steal and destroy. This study only seeks to add an additional confirmation of the secret and encrypted signatures of the Luciferins that have incorporated in the street layout of the Pentagram motif north of the White House.

## Avenue Name Encryptions

In one aspect, the Pentagon street layout has 2 avenues that correspond to the letter value of the western alphabet where A=1, B=2, etc. The DC Pentagon's western avenue, that of *Connecticut Ave* starts with a C and thus the 3rd letter which will be equal to its numerical value. The eastern avenue of the Pentagon looking from a north-south and top view is *Vermont Ave*. Thus the letter V which corresponds to the 22nd letter and equal also its value. Thus this study suggests that even the selection and naming of the streets within the core street layout of the *District of Columbia* serve an encrypted purposes to validate just who is in control and rules such a grid of power that comes, as it appears from the source of none other than Lucifer himself. This is not to say that every federal employee that works in such buildings within the Luciferian web of encryption is in league. However, some are no doubt.

*Connecticut Ave:*     **C = 3**  
*Vermont Ave:*       **V = 22**  
                              **322**

*From the DuPont Circle to the House of the Temple = 223 degree heading (322)*  
*From House of Temple to White House = 1 nautical mile*

*Massachusetts Ave:*   **M = 13**  
*Rhode Island Ave:*    **RI = 18, 9**  
*Pennsylvania Ave:*    **P = 16**  
*New York Ave:*        **NY = 14,25**  
*K Street Ave*           **K = 9**

The real difference is known to be where the disciples of Lucifer are actually ruling the nations from within the shadows of the governments, often referred to as the *Deep State* or the *Shadow Government*. In the pasts, such a notion was called the *Invisible Hand* regardless of how a person is selected to become the U.S. President for example. Interestingly, a few have come from *Skull and Bones*, Even in their class photos they encrypt the Masonic *Compass and Square* as it is how the Baphomet is defined also. The other motif that has been somewhat alluded to is the pyramid that the Pentagon construes. This study suggests that the 'broken' Pentagon can also and does render a 3-deminsional unfinished pyramid, much like the one that the Luciferians have on their fiat money 1 dollar bill in the back. The *Pennsylvania Avenue* and *New York Avenues* produce the base.

This 3 dimensional unfinished pyramid is linked thus with the House of the Temple on 16th street that is approximately 1 nautical mile to the north of the White House. The House of the Temple serves as the 'oculus' or 'All Seeing Eye' of Lucifer that is coming down as the capstone once the Great Work of their disciples on Earth is finished. From a top view, this 'House' or Temple is connected to a building that is fashioned like a 'G'. There are those that study Biblical End Time prophecy that point out that there is a parallel work that is 'Great' and about to finish. It is about a building and completing a spiritual 'Temple' or House in which a respective 'Prince' is to come and occupy and rule the world from.

## The Throne of Columbia

This duality is of course inferencing on one hand the Royal Commission of Jesus Christ to His Disciples to share His Gospel of the 'Good News'. It is of a 'great work' of salvation only found in Jesus and that such souls are used as 'building block', living ones to erect a 'Spiritual House' or Temple for Christ to dwell in. As read in the quote from Albert Pike, so too does Lucifer prescribe his twisted 'gospel' that is diametrically opposed to the Gospel of Jesus Christ and His work. This is directly referencing a struggle against the Body of Christ, the Bride of Christ, etc. This duality of 'works; have an opposite contention much like the parable of the good and bad seed Jesus warned about.

For example, the *Baphomet* motif can fit approximately inside the Pentagram where the flame corresponds to the White House of 'illumination'. This 'House; or Temple is in reference to the Temple of Solomon's *Holy of Holies*. As the disciples of Lucifer seek to finish the *Great Work* of placing their Prince, Lucifer upon the Throne of YHVH, that is the *Ark of the Covenant*, it is situated in the *Holy of Holies*. Most Masons are initiated in the 'light' outside the 'porch' of Solomon's Temple that is facing the open world for it to see that the Masons have 'nothing to hide'. These are often referred to as 'Porch Masons'. They have really no clue as to the depths of higher degrees beyond 33. Such disciples or 'initiates are only selected to enter the *Holies* which contain deeper Luciferian secret magic arts.

It is the *Holy of Holies* where only the very few are ever allowed in and to have interaction beyond the 'veil'. It is at this level of depravity that those involved in this Satanic cabal interact with the Fallen Angels directly. Jesus warned that there is an 'Enemy', the Devil that also has his disciples working on their 'house' or 'temple' that they portray as being filled with light and knowledge but such, as with the Tree of the Knowledge of Good and Evil leads to sin and death. This study suggests that perhaps these 2 'Houses', 'Temples', or these 2 'Great Works', will converge on the same timeframe or period, even perhaps the very same year? It could be the case that it will be at that time that the disciples of Lucifer's 'Great Work' will come to fruition and they will literally build Lucifer a Temple.

However this 'Temple' will be usurped in that the 'House of YHVH' or at this time, the completed 3rd Temple in Jerusalem will be commandeered and set up to receive the false Antichrist Messiah wherein he will proclaim himself to be all that is 'GOD' and demand absolute veneration. One aspect of the revelation and teachings of Jesus to Humanity is that in some mysterious way, YHVH has bound the certain judgment and doom of Lucifer and all those that follow this ancient Anointed Cherub's rebellion against YHVH, the Creator of all within the dimension of time. Perhaps 'time' as a dimension did not exist perhaps before the Fall of Lucifer, but became part of his punishment and timeframe of when their judgment would culminate. This judgment is now subject to time, that is the creation, fall and redemption of Humanity that would take Lucifer's thrones and dominions, etc.

To the Christians that believe in the pre-Tribulation/Wrath Rapture of the *Bride of Christ*, the Rapture will conclude at a certain 'time' where this *Spiritual House*, the *Body of Christ* being matured will be 'harvested' as it were. The parable that Christ did portray that both types of 'seeds' would be allowed to mature side by side and in the same time would come to a fruition and be harvested. It would be at that time that they would be distinguishable and harvested accordingly, etc. In terms of the possible 'time' of when the 'Great Works' of both would be completed could be subject to when the Rapture occurs. It is not a matter of decades now to find out but years, if not less.
