AboutFace DUI

Mission

Our mission is to keep you and the roads safe by educating DWI/DUI offenders of the dangers of driving under the influence. We believe with the proper education and guidance, anyone can make an AboutFace.

We teach the DWI- DUI classes but we also give you a firm foundation to make changes and better choices. We also provide addictions counseling.

What is Drunk Driving?

DWI is defined as “driving while Intoxicated.” This means having a BAC of 0.08%. For a driver under 21, this is defined as having ANY measurable alcohol in the blood, breath, or urine. DUI is defined as “driving under the influence” of alcohol or drugs. This can be applied even if your BAC is below 0.08% if it can be proved you are impaired.
