EMERGENCY SERVICES

WHY SPONSOR?

We are providing a special opportunity to leave your permanent mark on the new headquarters for McDowell County Emergency Services. We want to commemorate those community members and businesses who contribute to our growing organization by memorializing your business in our new headquarters. Bricks will be placed in the walkway leading to our Fallen Heroes Memorial, with a special message to show your support. Honor a graduate, remember a loved one, or pay tribute to someone who has made a lasting impression on your life. Proceeds will be used to purchase training equipment for Emergency Services and building furnishings in the new facility.
