A Note from Rick: The biggest change in any market on Tuesday was in the Hay market. We had a bigger run of hay to sell and prices softened again. We did have a big selection of good, coarse hay and it ranged in price from \$120 to \$195 per ton. We only had a few loads of top quality 2nd and 3rd cutting hay that ranged from \$230-\$300 per ton. We had an average run of feeders for the December Feeder Sale and prices were sluggish. The calf market was steady along with slaughter cattle. Slaughter cows were slightly higher. We will not have a sale next Tuesday on Christmas Eve, but will be back on schedule on December 31st. The Miller Yoder Christmas Standardbred Auction is December 27 and 28 and we are anticipating a great sale with 237 horses to sell on Friday and Saturday. As Christmas and the end of the year approaches, Andrea and I have reflected often on how blessed we are to have had such a great 2019. We are looking forward to a little time off to celebrate Jesus with our families. We want to thank everyone that has a part in the success of TLA, from our employees to the consignors, buyers, bidders, advertisers, vendors and the community. TLA is what it is because of the people that surround us! From our family to yours, Merry Christmas and blessings for the New Year. See you at TLA!
