

Liverpool CAAT Team respects the privacy of the users of its website. Details of our privacy policy are given below.

Registration

Details submitted through registration forms will only be used for the purposes indicated. If information is to be used for other purposes, such as the selective dissemination of Liverpool CAAT Team information, this will be stated and the facility to opt out will be provided in line with data protection legislation.

Usage tracking

Liverpool CAAT Team tracks user traffic and usage patterns throughout the site, but this information is not correlated with data about individual users. Liverpool CAAT Team do not break down statistics to analyse the domain name and browser type of visitors to the site.

Liverpool CAAT Team website does not use cookies to track user traffic patterns.

Sharing of the information gathered

Liverpool CAAT Team will only use the information gathered for the purposes outlined at the point of registration and in line with current data protection legislation. We do not share information about individual users with third parties. Any exception to this will be clearly stated and users will be given the opportunity to opt out.
