

**CALLUM NETTLETON  
NVHS BOOSTER CLUB FEATURED ATHLETE OF THE WEEK  
BOYS' SOCCER PROGRAM**

**Booster Club Reporter:** When did you start playing your sport/how did you get introduced to it?

**Callum Nettleton:** I started playing park district soccer when I was 5 years old. I decided to play because my dad is British and I watched premier league soccer with him all the time.

**Booster Club Reporter:** Do you play any other sports?

**Callum Nettleton:** I don't play any other sports as soccer is so time consuming. On travel soccer you practice 3 nights a week with games Saturday and Sunday so I don't have any time left.

**Booster Club Reporter:** What has your sport taught you/what lessons have you pulled from it?

**Callum Nettleton:** I have learned how to be part of a team. I also have learned how to be a good leader. The biggest lesson I have learned through soccer is that when we are loosing and things aren't going our way you have to keep going and finish strong! Never give up and let your team down!

**Booster Club Reporter:** What do you wish you knew when you were just starting?

**Callum Nettleton:** What I wish I had known when I started was that if something wasn't working, change it and don't just put up with it!

**Booster Club Reporter:** What quote/inspiration do you resort to when things get really hard?

**Callum Nettleton:** I am not really inspired by any quote, just keep on going so I can reach the finish line.

**Booster Club Reporter:** Share something about you that isn't well known.

**Callum Nettleton:** Something no one knows about me is that I would prefer to be a winger even though I have always played center mid!

**Booster Club Reporter:** Where do you go from here? College plans?

**Callum Nettleton:** I plan to attend Indiana Kelley school of business, where I want to major in accounting and finance.

**Booster Club Reporter:** Do you have a role model?

**Callum Nettleton:** I don't really have a role model, but I love to watch really talented sports players from all fields.
