

KOOTENAYLAKE WATERFRONT PROPERTY OWNER'S SURVEY RESULTS 2018

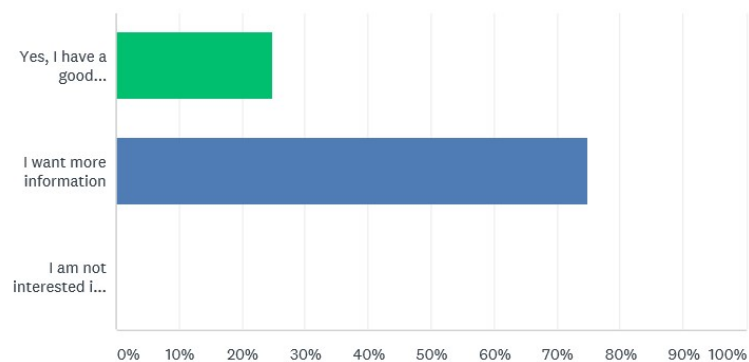

1. How long have you owned your waterfront property?

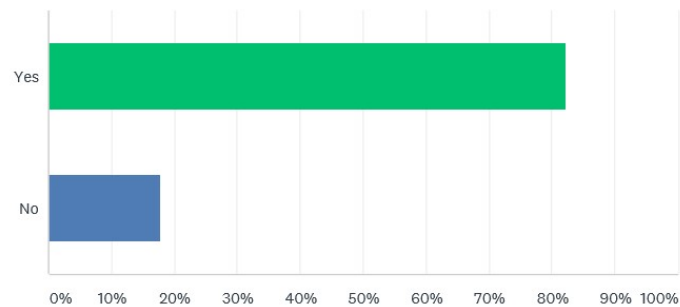

2. Are you interested in receiving environmental information regarding caring for your shoreline?

3. Waterfront owners have riparian rights to the water space fronting their property - do you know what your rights are?

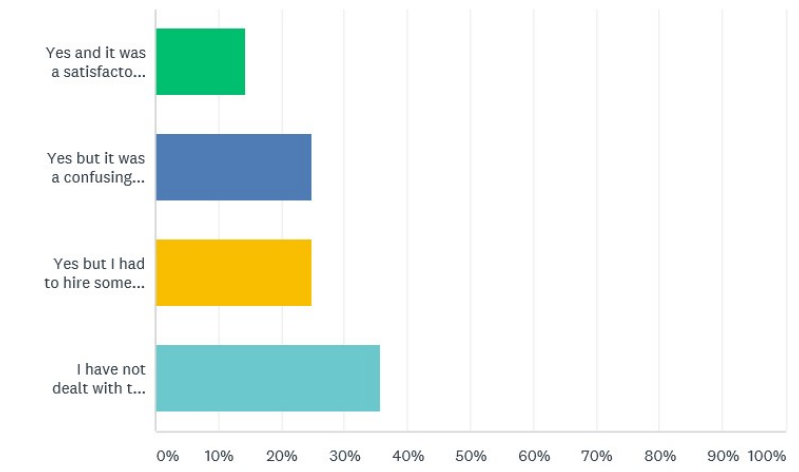

4. Are you aware of any government permits / permissions that may be required for dock building, retaining walls or other waterfront development?

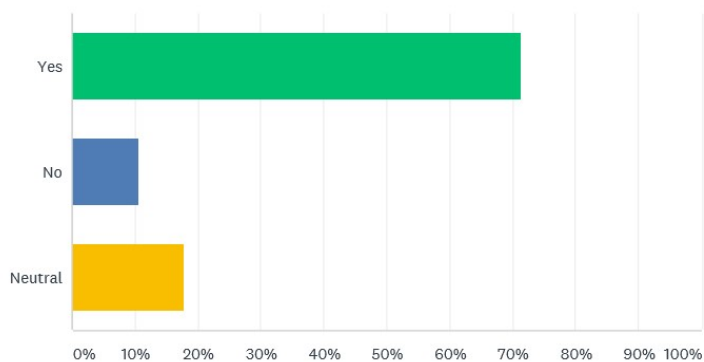

5. Have you had any personal experience with the government permission process for dock building, retaining walls or other development?

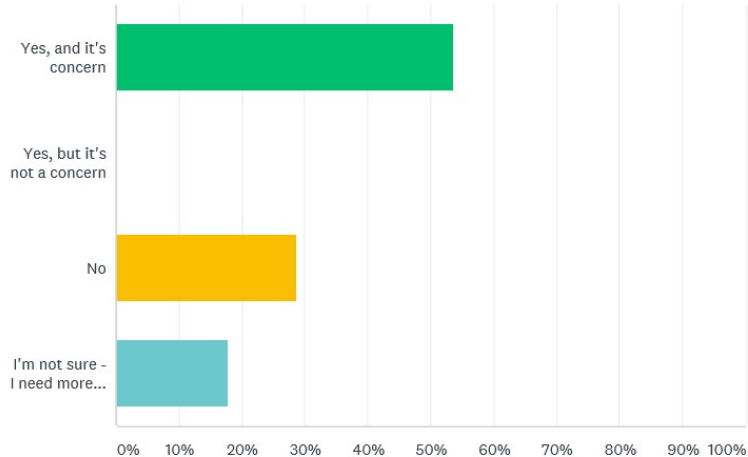

- a. Yes and it was a satisfactory experience I could figure out on my own
- b. Yes but it was a confusing experience, I did on my own
- c. Yes, but I had to hire someone to help
- d. I have not dealt with the government process

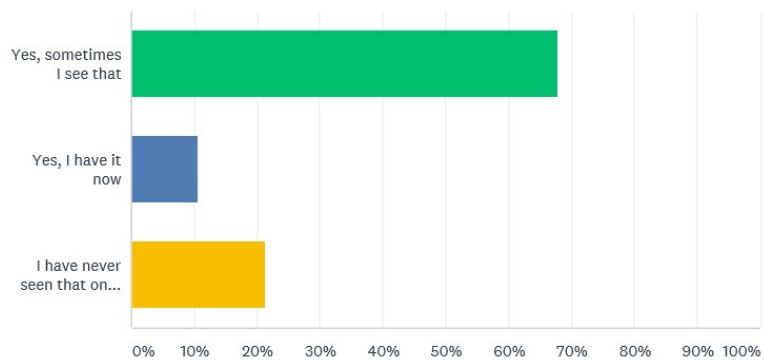

6. Are you concerned about a lack of sani-dumps / boats dumping grey water and sewage into Kootenay Lake?

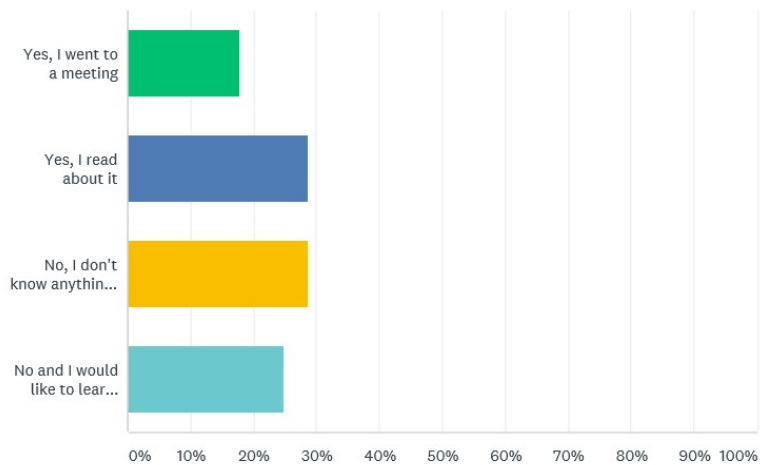

7. Do you notice invasive species on your shoreline or in your lake frontage?

8. Do you notice little bits of Styrofoam washing up on your shoreline?

9. Do you know anything about the Kootenay Lake Shoreline Guidance Document that was recently introduced?

10. If the Kootenay Lake Waterfront Property Owner's Society held a meeting - would you come?
