“Just A Little Talk With Jesus”

Verse 1

I once was lost in sin, but Jesus took me in
Then a little light from heaven healed my soul
 He bathed my heart with love
 And wrote my name above
Just a little talk with Jesus made me whole

Chorus

Well let us have a little talk with Jesus
And we'll tell him all about our troubles
 He will hear our faintest cry
 And he will answer by and by
 Feel a little prayer wheel turning
 You will know that the fire is burning
Just a little talk with Jesus makes it right

Verse 2

You may have doubts and fears
And your eyes be filled with tears
But Jesus is a friend who watches day and night
 He wrote my name above
 And he bathed my heart in love
Just a little talk with Jesus makes it right

Chorus

Well let us have a little talk with Jesus
And we'll tell him all about our troubles
 He will hear our faintest cry
 And he will answer by and by
 Feel a little prayer wheel turning
 You will know that the fire is burning
Just a little talk with Jesus makes it right

It's alright

Just a little talk with Jesus makes it right

It's alright

Just a little talk with Jesus make it right
