BFF Kidz Learning Laboratory May 2021 Newsletter

HEALTH POLICY REMINDER: Parents we have been advised by the Department of Health to strictly enforce the Health Policy for the health and safety of all children, so as a reminder we will have to call you if your child does have a fever, if they have 2 or more loose stools or if they throw up, and they will have to stay out for 24 hours after their last symptom. For more information on our health policy please see the parent handbook which can be located on our webpage www.bffkidz.com. We thank you in advance for your cooperation.

- Wash hands every time you come indoors.
- Carry sanitizer with you when you are out in the community.
- Limit visits to grocery stores, malls, fast food, restaurants
- Take multi vitamin daily, ask pediatrician about additional vitamin C or Elderberry.

BFF DAYS CLOSED: BFF will be closed Monday May 31st in observance of Memorial Day.

TEACHER APPRECIATION WEEK: Teacher Appreciation Week is the first week of May. If you have any unique ideas or would like to be part of the planning committee, please see an admin staff member in the front office. We are also looking for donations of any kind. Individuals can donate or you can ask companies to donate items or gift cards to the teacher's swag bags. We do have a letter if you are interested in taking it to a company you think may be willing to help us celebrate our wonderful staff.

COVID REMINDER: Just a reminder that if a member in a student's household tests positive for Covid-19, the student will have to quarantine for 10 days.

VPK GRADUATION: As the school year approaches an end, we wanted to give you good news! This year we will be having an in-person graduation! On Saturday May 15 at 10 am. It will be outside on our VPK playground and families should bring their own blankets and/or lawn chairs to sit comfortably and social distance from other families. VPK parents please check your emails for updates on graduation.

LAST DAY OF VPK CLASSES: The last day for VPK session is May 20, 2021. We will be having an end of the year celebration on May 20th, so please check your emails and bloomz for updates. PLEASE let us know if your child will continue to attend for Summer or when their last day will be. If you will need after school transportation for next school year, please inform the school what school your child will attend next school year.

UNITY DAY: We celebrate Unity Day each month to bring awareness to different countries and cultures. You may request your country to be celebrated. During the month of May, we will be learning about Chile.

COMMUNICATION IS KEY: Parents, please text the school phone in the morning if you know your child will not be in for the day or for a couple days. The school phone number to text is 813.694.0640. However, if you need to call us or speak to us about an urgent matter please always call us at 813.684.2636. Since we serve many children, we may not always have our full attention to the cell phone and a response may be delayed a couple hours when texting. We recommend you programing both our numbers into your cell phone one as the BFF school phone, and the other as BFF cell phone for texting.
