HOLIDAY NEWSLETTER NOVEMBER 2020

Unfortunately Light the Night Festivities for 2020 have been canceled. We have made the decision to ensure the safety of our residents, as it would be problematic to obtain social distancing. Despite this, Smithton Borough will still celebrate the holidays in special ways and we are hopeful all residents will try to participate.

Second Annual House Decorating Contest and a night of Christmas music!

The Borough will once again hold a house decorating contest. Participants must live in the Borough and it's FREE to enter. You can sign up by printing a form off of our website or picking one up at the post office.

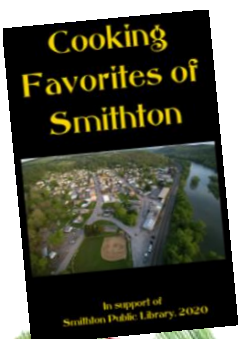

The winner of the House Decorating contest will receive THE trophy, a yard sign, a year's supply of bragging rights, and an ornament featuring a picture of their home!

To add to the evening, we plan to have Christmas music playing throughout the Borough. We will need resident help, to pull this off. Anyone who would like, can stroll through town and sing along!

Date and Time is yet to be determined. Watch for more details on our Facebook page, on the Borough door or at the Post Office.

Looking for a special gift? Look no further. The Smithton Cookbook is now available!
