BREAKING NEWS

**March 15: HB 188 Passed the Senate & sent to
Governor. Clears up language of Rent
Justification Law (See Page 5)**

**March 15: Representative Bill Carson hosted
informal meeting of Legislators & Advocates
on major concerns of leased land home
owners. Also in Attendance was Deputy
Attorney General Regina Schoenberg. It was
pointed out the years it takes to eliminate
loopholes in laws and the Court tests fueled
by Landlords flood of rent money. This costs
home owners money and possibly their
homes. It was agreed that Oversight is
needed that could be provided by an Office
of Manufactured Housing in the DSHA as
proposed by Senator Bruce Ennis.**
