**“Proud of the Past, Poised for the Future”** is a phrase that makes one stop and think. Just how did we get here? Who has gone before us to make today possible? As the Wilmot Agricultural Society, we look back and reflect on how proud we are to be one of the longest standing Ag Society's in Ontario and that we are thankful to those who have gone before us to make today possible. From the very early beginnings of local farmers bringing livestock and produce to the fair, to volunteers who have brought our organization through highs and lows, to the numerous community members who have and still are serving alongside us to keep our fair strong – we are truly thankful.

In the same breath, we are excited for the future – with technology changing the face of agriculture almost daily and consumers becoming more removed from their food sources, but at the same time more educated about their food sources the future of Agriculture is an exciting time. And this is no different for the Fall Fair. We continue to cherish the past and enjoy traditions like the horse pull or livestock shows, but we are also continuously searching out ways to be poised for the future by adding new attractions to the fair, continuing to invest in our youth through education day or the Ambassador Program and showcasing the more modern-day talents of our community.

I am thankful for this great organization and community and I invite you and your family to come and visit us at the fair – come for a walk down memory lane, appreciating the past, while looking forward to the exciting future that is before us all! See you at the fair!!

### **Outdoor Vendors, Food Trucks, & Information Booths**

### **Indoor Exhibit Space**

The 2018 New Hamburg Fall Fair Indoor Display area will only be available for "static" display. Do you need to let the 2018 Fair Attendee's know something about your Business, your Services, or your Not-For-Profit Agency, this is a wonderful medium to do so without requiring attending staff or volunteer. Ask about the excellent rates!

Indoor Exhibit owners and Representatives will have pre-arranged opportunities prior to the start of each "Fair Day" to review display status, restock and refill hand-outs, remove filled sign-up sheets, etc.. This needs to be completed prior to the opening to the public. The contact phone number noted above will be used as an emergency contact for urgent issues regarding your display

### **Other Commercial Space Information**

For the Set-up (both Indoor & Outdoor) this must be completed by 4:30 pm Friday, September 14, 2018. Dismantling will take place after 5:00 pm on Sunday, September 16, 2018 (not prior to the time). Limited electrical hook-up is available (indoor only) and extension cords are not supplied. Outdoor Vendors can utilize their own power source (i.e. Generators, Truck Engine support, etc.) presuming they do not interfere with our attendee's enjoyment of the fair.

Please read specific Contract thoroughly (available on-line via our website) for details not outlined here.

1. Every article to be entered for the competition must be the property of the person whose name is on the entry ticket.
2. Exhibitors must pick up their exhibits between 3:30 pm and 6:00 pm on Monday, September 17, 2018. **NO EARLIER!** Exhibits not picked up by 6:00 pm will NOT be the responsibility of the Home Craft Committee.
3. Every person not necessarily required in the judging area must withdraw while the judges are officiating.
4. No person shall be the judge of their own property nor be allowed to exhibit and judge in the same class.
5. Persons interfering with the judges shall forfeit the right to any prizes to which they may be otherwise entitled.
6. Only one entry shall be allowed to an exhibitor in one section of the arena classes.
7. In addition to the stated prizes offered in the listed categories, judges may award additional prizes they consider worthy and the directors shall determine the prize. Judges shall have the power to grant or withhold any prizes in case of inferiority in any class.
8. Although directors will take responsible precautions to ensure the safety of articles exhibited, they wish it to be distinctly understood that the owners must take the risk of exhibiting them and should any articles be lost or stolen the directors will give every assistance in their power towards recovery of the same but will not make any payment of value thereof.
9. The animals or articles to which prizes are awarded shall be distinguished by attaching stickers or ribbons to the respective animals or articles.
10. The decision of the judges shall be final as to the awarding of prizes. No appeal shall be considered except in the case of a protest. All protests shall be made in writing and delivered to the fair office on the grounds within 1 day after the judge made the award. Any exhibitor making such protest will be required to deposit with the Secretary, along with the protest a sum of \$20 to cover costs and if said is not sustained, the said amount protest will be retained by the WAS. The President, Vice Presidents, Secretary and Director in charge of the department shall be a standing committee to hear and decided all protests.
11. The WAS will withhold 10% of prize money received from cattle, sheep, heavy and light horse winnings. There will be no prize money withheld from entries in the-junior Home Craft division and 4-H. For all other arena exhibitors, any prize money received over \$10 will have 10% withheld to cover administration costs.
12. In the case of bad or unfavorable weather or other reasons causing the receipts to fall short of paying the expenses and all prizes in full after paying the expenses, a proportionate amount, exclusive of membership will be deducted from such prizes to enable the Directors to balance the accounts without loss. The Directors feel that this course is the most equitable and fair one that can be adopted, as any deduction will fall proportionately on all those participating in the amounts collected and not leave the whole sum to be a debt to bear heavily on the WAS and thus impair its usefulness.
13. While the Directors of the WAS will use every available means to prevent accidents in and or about the grounds, it must be distinctly understood that all persons going on to or upon the show grounds must personally assume all risk of accidents or injury from any cause whatsoever.
14. The WAS recommends that all exhibitors and competitors maintain a minimum liability of \$1 million insurance.
15. Absolutely NO alcohol or drugs on fair grounds.

Hello! My name is Christina Jantzi and I am so honoured to have had the privilege of representing the Wilmot Agricultural Society as the 2017-2018 Ambassador. It has been such an amazing year, and an experience I am going to miss! This year, I have been able to experience and learn so many new things - and I have grown so much as a person because of them. My journey began here, one year ago at the 2017 Fall Fair. I had the privilege to hand out ribbons at the 4H show, ride in a beautiful horse drawn carriage, experience the derby from the front row, participate in the frog jumping competition, eat some fantastic fried food and spend time with lots of amazing people. Throughout the year I attended meetings for clubs and events and was a part of planning this years fair. I was able to be in several local Santa Claus parades and also attended the OAAS Convention in Toronto! That was one of the highlights for me. I

enjoyed getting to know some of the other ambassadors in Ontario and find out a little more about the communities around us, as well as attend some workshops about the fall fair. I am currently looking forward to attending and competing at the CNE in August, I am so excited to find out what new experiences are in store there.

I was raised on a farm just outside of Baden, where I learned the value of hard work, the joy of success when we got the hay off just before the rain, and the pain of defeat when we lost an animal to sickness. I have an appreciation for the hard work, dedication and energy that is put into the industry that I am so proud to be a part of. I have attended the New Hamburg Fall Fair for as long as I can remember - seeing the whole town come together for one weekend celebrating after a season of harvest is so exciting for me, which is why I was so honoured to be this years ambassador. I would like to thank the Wilmot Agriculture Society and Ambassador Committee for providing this amazing opportunity to young people. The time and energy put into this program, as well as the entire weekend amazes me. Another huge thank you to my sponsor club, the Wilmot Optimist for supporting me through the program. Finally, I would like to thank YOU, for loyally supporting the fair each year and making it possible, and for the creating the close knit community that we all love. Here my journey as ambassador comes to an end, but a new journey is beginning. My deeper appreciation and understanding for the fair, agriculture and our community is something that I will bring along with me wherever I go next, so enjoy the rest of your weekend here at the fair! I'll see you there!

Sincerely,

**Christina Jantzi, 2017-2018 Ambassador**

If you have exhibited in the past, please do not assume your number will be the same. Please confirm with the registration table.

This tag needs to include your item's Class, Section, Article Description and your Exhibitor Number. **\*These tags are available ahead of time at the New Hamburg Office Pro and will also be available on the Thursday night drop off night\***
3. Complete your 'New Hamburg Fall Fair Entry Form' (the 8.5" x 11" page). There is an example of an entry form on page 10 and a blank one on page 9 for your use. These will also be available on Thursday night drop off night. Again, EACH EXHIBITOR needs their own individual form.

Please do your best to not miss an item. You should have one line for every item you are entering. i.e. if you have 5 items to enter in the fair, you need to have 5 lines on this form.

4. If you have any questions at all, please ask any of the volunteers helping on Thursday night drop off night.
5. Take your items to the drop off tables in the arena
6. Hand in your "New Hamburg Fall Fair Entry Form" before you leave the building. **Please DO NOT TAKE THIS HOME.** It is incredibly important that the home craft volunteers have this form to assist with entries and results.
