September 19, 2017

Dear Parents:

To assist families struggling in the aftermath of Hurricane Irma, all K-12 students in Polk County are eligible for free school meals for a limited time.

The U.S. Department of Agriculture (USDA) has accepted the department's request to allow all students in 48 counties designated in the FEMA Major Disaster Declaration access to free school meals through the National School Lunch Program until October 20, 2017.

All students can access free school meals through the National School Lunch Program beginning Tuesday, Sept.19 – Oct. 20, 2017. This includes both breakfast and lunch meals. It's important to remember that to qualify for the free meal, students must select a full meal as outlined by the National School Lunch Program. Individual entrees and a la carte items will be charged at normal rates. On Monday, October 23, normal lunch pricing will resume.

Sincerely,

A handwritten signature in black ink that reads "Ralph H. Frier".

Ralph H. Frier  
Executive Director
