Affordable Insurance Guide

As we are all aware Health Insurance pricing has been on the rise. Florida KidCare, including Healthy Kids, has year round open enrollment! Many of our patients have established Health Insurance on Florida KidCare when they are denied Medicaid coverage.

Applying is easy – Complete the application process on the web, or mail it in. The application can be found via their website, <https://www.healthykids.org/healthykids/apply/>. Florida KidCare will place your child in the program that best fits your child and family's needs. The process takes approximately six weeks to process. Premiums are determined by Florida KidCare.
