We reserve the right to add a \$200 fee for any trips over 100km on unpaved roads. There is a separate \$850 fee for driving the Dempster to Inuvik.

We operate within a travel radius of 600 km from Whitehorse in any direction, which allows you to visit as far north as Tombstone national park, north of Dawson City, YT and the Top Of The World Highway; as far east as Watson Lake, YT; as far west as Alaska including the coastal towns of Skagway and Haines; and as far south as Meziadin Junction BC. But if you choose to journey beyond the 600km radius from Whitehorse you are responsible for the cost of any rescue, repair and/or returning the vehicle to within the authorized 600km radius area either through us (YukonWestfalia) or a third party.

- Provided tools and spares
- The awning
- The onboard heater, if applicable
- The pop-top including the canvas, latches and flocked finish.

In the case of a Motor Vehicle Accident the mandatory insurance (currently \$19.90 per day) reduces the driver's liability for Collision Damage to a \$ 1000.00 deductible. This insurance does not cover any glass and tires coverage on the rental vehicles.

Road Side Safety:

We make sure to do a full mechanical and safety inspection of every vehicle before it goes on rental. On rare occasions, mechanical problems or accidents may occur during a rental. If the problem occurs due to mechanical breakdown during normal driving use on paved roads within the previously described 600km from Whitehorse, YT YukonWestfalia will bear all the charges of repair. If any breakdown/accident happens due to the renter at fault, negligence or willful damage, then the renter will bear all charges of repair/towing. However, in both cases we will do our best to get you back on the road safely as soon as possible.

Renter agrees to indemnify, defend, and hold harmless the Owner for any loss, damage, or legal actions against Owner as a result of Renter's operation or use of the Rented Vehicle during the term of the Rental Agreement. This includes any attorney fees necessarily incurred for these purposes. Renter will also pay for any parking tickets, moving violations, or other citations received while in possession of the Rented Vehicle.

Attention: A vehicle breakdown or accident can easily delay a trip by several days. Due in part to the large distances and remote locations involved, clients may spend several days waiting for a repair or replacement vehicle. YukonWestfalia cannot be held responsible for delays or changed plans that are caused by an accident or breakdown.

All vehicle rentals are strictly for vacation use. No vehicle may be used commercially whatsoever and YukonWestfalia reserves the right to decline a booking if commercial use is suspected.

The customer will be shown the oil and coolant level checking and filling procedures and accepts responsibility for regular checking and adding fluids as necessary as per the Rental Agreement and Departure Checklist.
