

KAREN YVETTE REID|AEA

ACTOR/SINGER/WRITER

What the Critics say about KYR!

“But the most emotional moment comes during a funeral lament, when Karen Reid expertly and passionately delivers a cry for justice, ‘We’ll never get to heaven,’ she wails, ‘till we reach that day.”

Matthew J. Palm, Orlando Sentinel Theatre Critic (*Ragtime*)

“Most of the songs chosen fit the moment and the character while complementing the voice of the actor. Promising actress, Karen Reid (*Princess Dave*) has a few songs perfectly suited for her, such as *Unwritten (Feel the Rain on Your Skin)*.

John Lariviere, Southern Florida (*Princess and the Pea*)

“Karen Reid as the Fairy Godmother is both the strongest singer and the strongest comedienne in this show. She is completely at home on the stage, and her delivery at times approaches that of a stand-up comic.”

John Lariviere, Southern Florida (*Cinderella*)

“Karen Reid has a strong presence and a sassy feel to her performance that makes her very watchable.”

John Lariviere , Southern Florida (*GODSPELL*)

“Karen Reid played Roz, Frank’s right hand ‘girl’ and office rule enforcer. At first we don’t expect much from her character, but around the start of Act II, she performs an outstanding solo number, *Heart to Hart* that made her also become a standout in the show. “

Brooks Bronson, Charleston City Paper (*9 to 5: The Musical*)
