Jacky first came to work at Level in 2010, and since then she developed her passion for exercise. It helps her to stay healthy, energized and to look good in her clothes.

Jacky was born and raised in Honduras, she moved to the United States at the age of 16. She attended high school at Magruder high school in Rockville, Maryland and graduated in 2003.

When she's not at level she enjoys her long walks with her 2 youngest daughters. She's a happy mom of 4 beautiful kids. She also enjoys the beach very much and hopes that one day when she retires she will have a beach house.
