Dear Parent/Guardians,

The Brussels Community Unit School District offers EXTRAS during breakfast and lunch periods each day if items are available.

EXTRAS may only be purchased if the student has a positive account balance and permission on file. EXTRAS include ordering an extra entrée at lunch/breakfast or buying additional milk. Please note that EXTRAS are an additional charge regardless of your child's Free/Reduced eligibility status. **An extra entrée is \$1.00, an extra breakfast item is 50 cents and extra milk is 30 cents. Again these are fees that are charged regardless of your Free/Reduced eligibility status.**

Again the students must have a positive lunch account balance and parental permission on file to purchase these items.

Please fill out the permission form below and return it to school as we require a new form each year. This program will begin on Monday August 20, 2018. If you have any questions, please feel free to call the office at 618-883-2131.
