The highlight of the meeting last month was definitely the glass auction. June Leopold would like to share the following with the club. "Many thanks to everyone who helped with the Auction. All your efforts made it a great success. And thanks to everyone who participated and went home with a very special new item to enjoy." Thanks to you, June, for organizing a great auction!

Lynne Melcher helped us unpack numerous items at last month's Silent Auction. And now it is our turn to help. It is possible that she may have lost her birthstone ring. If you recover this item, please call Lynne at 504 220-8347. It would be very much appreciated.

Remember that the next club meeting is our Christmas Social at Giorlando's restaurant. The price is \$30 and you can order off the menu. You can pay at the door but please let Glenn Plauche or Jane Stacey know you are going by December 5! Hope to see everyone there!

Meeting Highlights

The November 12, 2014 meeting was called to order by president, Carole Martinez. Donna

Terrio opened up the meeting with a Boudreaux joke. The committees shared their reports. Betty Kehm brought in the 1980 club book for her report. Fran Swan reported that \$120 was collected for Angel's Place, which is an all-time high donation! Fran also reported that she purchased gift certificates to give to them. 16 dealers have paid for their Glass Show booth. Also Donna Terrio is taking donations for the dealers' baskets. A fascinating program was presented on silver by different club members. This was followed by the show 'n tell which members presented their Horns of Plenty. The highlight of the meeting was the Glass Auction. The meeting ended with facts about Armitage Day to celebrate November's birthdays.
