Dear Prospective West Florida High School Football Sponsor:

As we kick off our football season at West Florida High School of Advanced Technology, we wish to form a partnership between WFHS Jaguars and you, the community sponsors. West Florida High School opened in August 2001 with a class of 325 ninth graders and now has a current enrollment of over 1300 students. West Florida High School, as a public school of choice for all students in Escambia County, has received an “A” grade six straight years from the Florida Department of Education. We hope the community will support us as we build our sports program in an effort to match our academic excellence.

WFHS Quarterback Club is a non-profit organization providing support to the West Florida High School Football Program. Our members include families and friends of WFHS football players, football fans and area businesses. The West Florida High School Quarterback Club sponsors and supports football related activities at West Florida High School, by means of fund raising, business sponsorships, pledges, and in-kind donations, and by providing volunteer services.

Part of our goal in raising funds for the football program at West Florida High School places an emphasis on developing community involvement. We feel that encouraging local businesses to show their support of education and athletics through advertisement or donations will help foster an increasing sense of community pride and ownership. Through this highly visible sponsorship, you will be benefiting the school community and all the student athletes participating in the WFHS Football Program. The attached information sheet will give you an idea of the cost of participating in our sponsorship program.

We ask for you to consider purchasing a sponsorship which would include advertising space in our football game program or in the form of a sign prominently displayed along the interior of our football field to help defray the cost of WFHS Football Program related expenses and our annual football awards banquet.

If you are unable to purchase a sponsorship at this time, your tax-deductible donation in any amount will benefit our football program. With your support, we will continue our goal of establishing a program based upon academic excellence, sportsmanship and dedication. If you have any questions, please forward an email to Greg Davis at mrfiu@aol.com.

We truly appreciate your time, and thank you in advance for supporting the West Florida High School Football Program.
