Age Groups

Mini's: 5 and under	Teen: 13-15 years old
Petite: 6-8 years old	Senior: 16-19 years old
Junior: 9-12 years old	Adult: 20+

The Age Group is determined by averaging all of the ages of performers in a dance. The age to be used is the age of the dancer on January 1, 2019. The average is figured by adding all of the dancers' ages and dividing by the number of dancers in the dance. For example, if there are 6 dancers at ages 6, 6, 7, 8, 8, and 9, the equation would be $6+6+7+8+8+9=44/6=7.3$, meaning this dance would be entered into the petite age group. For all numbers ending in a decimal, please drop the decimal. All dancers are registered through Dance Comp Genie, which automatically determines the age group your dancers will compete in. Must be able to verify age if needed to do so. TDE has the right to adjust age groups as needed.

*Dancers 20 years and older must compete in the adult division. Those ages cannot be included in the average dance age.

Move Across the Floor

Move Across the Floor is where we allow dancers to "freestyle" across the TDE stage. We do allow audience members and dance families to participate sometimes too. Our DJ will announce participation guidelines prior to the start of it. Dancers will line up backstage on stage left, where they will be directed how to line up properly. This can vary by venue. Once we are ready to begin, the dancers will move across the stage from stage left to stage right from one section of curtains. More details will be explained at the show.

Drawings

Be sure the Dance Moms, Dance Dads, Dancers and Dance Teachers stop by our Merchandise Sales Table to get a ticket to enter our drawings. It is completely free! There is a separate drawing for Dance Moms, Dance Dads, Dancers and Dance Teachers. Prizes may vary. You don't need to be present to win if someone from your studio will pick it up for you. If nobody from your studio is there to pick it up then we will draw again and award someone that is there and able to pick up the prize. We will not mail or hold any prizes for you! This is just something we do for extra fun. You just need to print your name and studio name on the ticket and hang on to the other half until the drawing. All drawings stay in the container until the end of the show. You may only enter once. We have the right to change this at any given time as needed.
