OVERRIDES

are part of the Arizona funding structure that allows communities to **PROVIDE CRITICAL FUNDS to their local schools.**

YOUR “YES” VOTE on the M&O Override will CONTINUE to:

- Ensure current **academic programming** remains in place
- Provide **competitive salaries** to retain and attract highly qualified teachers and staff
- Support **instruction for technology, physical education, and fine arts** such as music, art and drama, foreign language, and other electives
- Promote a **safe and healthy school environment**

A “NO” VOTE on the M&O Override will result in the following:

- CUT \$9-10M from the operating budget for next school year
- CUT \$28-30M from the operating budget over the next three years
- Decreased property values throughout the district
- Increased class sizes
- Elimination or reduction of special programs
- Decreased staff/teacher salaries & layoffs
