

Wyoming State Muzzleloader Association's News

April, 2017

Welcome to the Wyoming State Muzzleloaders News Letter. Things are looking a little different with the newsletter this year, because while at convention in January, the State Board, and the general meeting was held and two new members, were welcomed aboard on the State committee. One new member was Magic Mike Johnson, and the other was me. Sandy Ladwig. They elected me to be on the newsletter committee. I hope that all goes well, and that I will do as good of a job, as Melissa did, so please be patient, as the process gets changed over, and I take over. If anyone has questions, or would like to send me something that should go in the newsletter, please let me know at WsmfaNews@gmail.com. If you do send any information over to Melissa, she will make sure that it gets to me at the new email. Let me know if I can make the newsletter better in any way. I am open to any and all suggestions. So until the next newsletter, Happy Shooting.

Mr. Bill: Did you find him? Trying to find a grasshopper in the leaves in February is like trying to find a needle in a haystack. But lets see what Mr. President Bill has to say.

(Bill.... A little to the left.)

Dear Wyoming Muzzleloaders:

My how time flies when you are having fun. I seem to only be 2-3 months behind on about everything anymore. I cannot believe spring is here and 3 weeks ago were buried in 2' of snow and complaining about the cold and snow. We still have the big ice chunks on the river banks from when the Big Horn River ice broke loose. The BHBML lost the remaining parts to our old swinging bridge with the ice out. Tom will have to start using floaties to cross the river☺ Mother Nature is sure fascinating at times. As kind of a rap up to the Winter Convention the WSMLB board made a decision to change the Hotel from the Parkway Plaza to the Ramkota Hotel due to the rumors the board was hearing about the Parkway Plaza. I don't know if the rumors are true or not. The move was a good one, the Ramkota went all out to do anything we wanted as the WSMLA, the meal was great, and the hotel staff was outstanding, the free breakfast helped out with some of the expenses. The trader space was down a little in square feet. It was full and we seem to have had a lot of traders and spectators. We had a good turnout for the seminars and our annual meeting. I haven't heard how we made out financially yet from Convention. I would expect we are down on income from the registration, membership and auction. I hope our expenses are also down a little. The board is trying to make adjustments where we can. The general membership voted and accepted allowing small stools for the cross stick matches. Please read the new procedures and By-laws on these changes. We welcome the new members to the board, Mike "Magic" Johnson and Sandy Ladwig, along with re-election of Trish Miller. A few changes to the board; Magic has agreed to take over the picture contest, Sandy has agreed to take on the news letter challenge and Melissa is taking on the traveling trophy and state awards. The WSMLA board re-elected me President again this year, thank you for the challenge. This will be my last year per the By-laws. We are way behind on getting the January newsletter out so we have already had the WSMLA winter challenge shoot. Great shoot as always hosted by Deer Creek Muzzleloaders club at Glenrock. I didn't think I would make the shoot due to the Mrs. surgery; however the way things worked out they sent her to re-rehab-hospital so I could come home gather guns and head back down to Glenrock and shoot. Not that I could hit the broad side of barn, but I showed up and had a great time. Great weather, great food for lunch and good friends. Thank you to DCMLA for hosting a fun shoot. We have many shoots scheduled for 2017 starting off the Black Powder Trap and Skeet shoot at the Worland Shooting complex April 28-30 th , 2017. Frank Elzay is the mad man behind this shoot. Shooting trap and skeet is way more challenging to me than any other shooting we do with black powder. This will be the 6 th annual shoot and I am still trying to match my score from the first year☺. After the Trap and Skeet shoot is the Annual Ed Green shoot at Sheridan. I keep hearing it will be the last year for the Ed Green shoot. I hope that is not the case because it is a great event held by the Sheridan Bull Shooters at the Danner ranch. After the Ed Green there are quite a few more events, fliers will be in the newsletters and online <http://www.wyomingmuzzleloaders.com>. Please remember to send fliers, stories, pictures and shoot results to Sandy at wsmlanews@gmail.com or to me for the website. What a cool email Sandy got for doing our newsletter Thank you to everyone for supporting the WSMLA and I hope to see you all at the various events. Keep your powder dry.

Bill Morrison

President

I hope everyone was able to attend the Wyoming State Muzzleloaders Convention, that was held in January, in Casper. Many vendors this year liked the new venue. I hope that you liked the new location also. Thanks to Trish Miller for organizing and taking care of everything for the event. A lot of work goes into putting the event together, and I am actually glad, Trish takes care of all of it. All tables for vendors were taken except one, so we had a good vendor turnout. Many seminars were offered, and Paula and Melissa did a swell job with the photo contest. The Saturday night dinner, and dance room was packed, and I hope that everyone who attended had a wonderful time. Ed Kern did a great job with all the auction items, for the evening. A lot of work goes into making sure everything is just right and I think all committee personal did a wonderful job. So if you attended, I hope that you had a great time, or if you were unable to attend, I hope to see all of you next year.

Board meeting minutes were as follows from Friday, January 20, 2017:

The meeting was called to order at 7:11 p.m.

Roll Call:

Karin East, Director of Sales of the Ramkota Hotel, presented a proposal for hosting next year's meeting.

Katie Vaporis read the minutes from the previous meeting held at the State Shoot May 29, 2016. The minutes were accepted as read.

Andy Lawrence, Tim Thornburg, Trish Miller, and Gary Millhouses' terms are up and will need to be filled.

Crystal presented the treasurer's report. It is available for anyone who asks to see it. The treasurer's report was accepted as read.

Associations' insurance was discussed, and suggestions were made to buy more comprehensive insurance.

Committee Reports were given by the Convention, Auction, Entertainment, Photo contest, Newsletter, Hat and T-shirt, Traveling Trophy, and Historian Chairs alike.

Old Business was gone over: The Riverton Club was unhappy with making people pay for state memberships, and it was discussed to let people pay a one time \$10. fee.

There was no new business.

Meeting was adjourned at 8:43 p.m.

Board meeting minutes were as follows from Sunday, January 22, 2017:

Roll Call:

Announcement of Officers

Meeting was adjourned.

February 18th, 19th, and 20th was spent at The George Walker Winter Challenge, at the Deer Creek Muzzleloaders range. What a great weekend we had. The weekend was spent with everyone of all ages. There were old members, and new members alike. The competition was very competitive this year. The top three men's teams scores were separated by only seven points. Two women's teams joined in all the shooting, and one junior was also at the firing line. The biggest challenge this year was only the wind. The weather was warm enough not to be a challenge. There was even campers, camping for the weekend. And what fun it was to have a big bon fire, and smores for the evening. As usual, there were also some great cooks that provided enough food for everyone for two full days. No one left hungry. For all of those who came out to enjoy the people, competition, shoot some powder, and get dirty, it was a fun time for all of us and for those of you that could not make it, hope to see you there next year. Thanks Deer Creek Muzzleloaders for putting on a great George Walker Winter Challenge. Congratulations to all winners!!!!

*Dave Hein had the best target shot at 200 yards with all five shots on paper. On Sunday, I tried to find him to ask how he was able to do so well, but I was unable to find him. I asked around and interviewed a couple of shooters, and I was told "it was all in the powder, patch, and ball". Katie Vaporis also had an outstanding target shot at 200 yards. I asked Katie "How did you shoot so well at 200 yards?" Katie replied " I aimed a little high and a lot to the left, to compensate for the wonderful wind. Way to go!!

In other News.....

Mr. Bill received an email from Gary Peterson, concerning “lead” in the 2017 hunting regulations.

His concern and question was to Sheridan District Game Warden Criag Smith in Buffalo, about the word “lead”, if it is going to be omitted from the upcoming big game regulations, regarding the ammunition regulations/description for projectiles.

In 2015, and 2016 regulations, and under the section defining muzzleloading firearm it states along with caliber and charge minimums it will use.....a lead (caps/bold mine) or expanding point bullet.

In 2017 , the latest version under both the dated definition and regulation sections, the word “Lead” was shown crossed out and to be omitted. It seems lead is a big word to be omitted says Gary. Gary raised his eyebrows a little and showed concern on his face when the warden said “Game and Fish was trying to narrow the wording in the regulation booklet”. The word lead was just a word they thought could be omitted and take up less space in the regulations. Gary has asked Bill to send an official note to Cheyenne.

Does anyone have any other ideas, or concerns regarding this issue? If so, any questions or concerns you may have should also be addressed to our President.
