PRESIDENT'S CORNER

It's that time again to welcome our returning owners. Hopefully, you will see your southern home nicer than when you left. Staff has been busy, painting restrooms & exercise room. Now in process of power washing deck & garage, painting curbs. New pictures in all hallways. REMEMBER, when you turn your water on to watch for leaks.

CRECIENTE'S NEW HERB GARDEN

Creciente's Landscape Committee recently received a very generous anonymous gift of a **Tower Garden**. This is a vertical, aeroponic growing system, allowing you to grow up to 20 herbs, vegetables, fruit and/or flowers in less than 3 square feet, indoors and out. The Tower Garden has been placed in the grilling area next to the North building. It was donated for everyone to enjoy cooking with fresh herbs. What a thoughtful and healthy gift Creciente has been given!
