Dear Mr. Asher,

On behalf of the Board of Directors, staff and volunteers for Clothes For Kids I would like to express our deepest gratitude for the gift of \$10,000 we received from the Hazel Miller Foundation. Your support will go a long way in building our *Greatest Needs* Program allowing us to serve more than 6000 students this year.

We appreciate the Hazel Miller Foundations investment in our work. The support of local foundations helps to reinforce the importance of the programs of Clothes For Kids and helps us to gain support from other funders. We are off to a terrific start serving more than 1000 students in the first 14 days of operation. With your support we know this year will be a great success.

We will be happy to pass on stories of our success and look forward to a long partnership with the Hazel Miller Foundation. Again, thank you for your investment in Clothes For Kids your gift will help us to fulfill our mission and *transform lives*.

Sincerely,

Joy L. Ingram
