**School Year 2016-2017 – Donation Letter**

The Serra Music Boosters Club is a 501 (c) (3) non-profit organization that is committed to the preservation of the visual and performing arts program with the public school educational curriculum.

Our award winning marching band and color guard program at Serra High School is one of the few to be found within the San Diego Unified School District (SDUSD). Our public schools are struggling to maintain academic as well as extracurricular activities and we are proud that Junipero Serra High School in Tierrasanta has been able to provide this experience for our students and community. The lion’s share of funding for this program is approximately \$30,000.

**We need your support to reach our funding goals. Your donation of ANY amount now and/or throughout the year is urgently needed and is greatly appreciated.**

Thank you for supporting our students!
