

MATERIAL, CORROSION &  
INSPECTION TECHNOLOGY

Organizes

2nd International Conference & Exhibition on  
**“Pipeline Integrity Management  
(ICEPIM 2016)”**

5 - 6 February 2016  
The Grand Hotel, New Delhi

Jointly organized by

Supported by

[www.pipelineintegritymanagement.in](http://www.pipelineintegritymanagement.in)

## Welcome Message

Pipeline is the most reliable, efficient, safe and economic mode of transport for oil, gas, hydrocarbons and water. Pipeline corrosion can result in huge monetary losses and create safety hazards to people, assets and environment. The integrity of pipelines is a basic concern for pipeline operators, and therefore, the ability to detect anomalies due to corrosion, erosion, milling and mechanical damage shall be of significant interest to the operators. A systematic Pipeline Integrity Management Program can extend the life of the existing pipelines and maintain adequate safeguards for human life and the environment.

Towards achieving these, it is imperative to promote interactions between people and organizations to share their knowledge & experience. ICEPIM 2016 will provide an ideal platform, where experts and leading industry players share their insights on how to improve corrosion control measures to effectively minimize internal/ external corrosion and other damages. Your involvement at this premier event is essential for the success of ICEPIM 2016 to accomplish our mission “Maintaining safety & reliability of the pipelines”. Be part of ICEPIM 2016 to discover best practices in minimizing and controlling corrosion in your assets. We cordially invite you to join us in New Delhi in February, 2016.

Best Wishes

Organizing Committee, ICEPIM 2016.

## Conference

**ICEPIM** is the most important technical event catering to Pipeline Industry in India. The conference provides an effective platform for Pipeline & Corrosion professionals across the world from various industries, research institutions and academia for exchanging their ideas, acquiring knowledge / information regarding existing and upcoming products and technologies on Pipeline Integrity. It also provides a unique networking platform for interaction amongst professionals from various government and private industries.

Around **400-500 delegates** are expected to participate in this seminar.

## Delegate Registration for Conference

The applicable registration fees for participants:

Category	Fee Payable (Before 15.09.15)	Fee Payable (Before 15.10.15)	Fee Payable (After 15.10.15)
Delegates	INR 17,000 (\$340)	INR 18,000 (\$360)	INR 20,000 (\$400)
Delegates presenting paper		INR 12,000/- (\$240)	
Academia		INR 12,000/- (\$240)	
Student member		INR 7,000/- (\$140)	
Spouses		INR 7,000/- (\$140)	

**For Overseas Professionals, amount mentioned in dollar (\$) shall be applicable.**

**10% Corporate discount** shall be provided for 3 & above no's of delegates from the same organization.

## Call for Abstracts for Paper Presentations /Poster Papers

Technical Committee of ICEPIM 2016 invites authors to submit technical papers on specified technical topics for Oral Presentation or Poster Paper during conference. Authors are requested to submit abstracts latest by 30th September 2015. The abstract should be submitted as per the guidelines (300 words) to this email id.

**technical@pipelineintegritymanagement.in**

**Special Registration Fee for Presenting Author: Rs. 12,000/- (\$ 240)**

## Awards and Recognition

The technical committee will evaluate all contributory papers (oral and poster presentations), products and technologies displayed in the exhibition and present awards in following categories during the valedictory function on the concluding day of the conference.

**a. Best Oral Paper**

**b. Best Poster Paper**

**c. Award for Best Exhibition Booth**

**d. Award for Innovative technology**

**e. The Pipeline Integrity Expert Award**

# Theme Topics of ICEPIM 2015

## Session 1 Planning, Design and Construction of pipeline

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Onshore and Offshore Construction</li> <li>• Production pipelines &amp; Flow lines</li> <li>• Design Constraint &amp; Project Management</li> <li>• Compressors, Pump Stations &amp; Pipeline Supports</li> </ul> | <ul style="list-style-type: none"> <li>• Pipeline Integrity Measures at Design &amp; Construction stage</li> <li>• Product Pipelines, Water Pipelines, Slurry Pipelines</li> <li>• Application of Codes &amp; Standards</li> </ul> |
|--|--|

## Session 2 Pipeline Materials, various issues in Pipeline Fabrication & Repair

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Best Practices for Pipeline Material Selection</li> <li>• Line Pipe Material design and Exploring New Materials</li> <li>• Development and application of non-metallic materials in pipeline</li> </ul> | <ul style="list-style-type: none"> <li>• Pipe Manufacture, Fittings, Supports, Quality Testings</li> <li>• Pipeline Welding, Automatic and semi-automatic welding, Electrodes</li> <li>• Managing Cracks and Weld Anomalies in Pipelines, Weld Flaw Acceptance Criteria</li> </ul> |
|--|--|

## Session 3 Corrosion & its Control Techniques- Cathodic Protection, Inhibitors & Coatings

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>• Types &amp; Overview of Corrosion Risk for Pipelines</li> <li>• Internal &amp; External corrosion of pipelines</li> <li>• Pipeline Structural Corrosion and related failures</li> <li>• Pipeline Coatings, Linings and Wrappings</li> <li>• Cathodic /Anodic Protection</li> </ul> | <ul style="list-style-type: none"> <li>• Chemical Injections /Inhibitors</li> <li>• Corrosion Monitoring &amp; Inspection</li> <li>• Microbiological Corrosion in Pipelines</li> <li>• Stress-Corrosion Cracking in Pipelines</li> </ul> |
|---|--|

## Session 4 Latest Inspection Techniques in Pipelines Risk Management

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Pipeline inspection- new possibilities / technologies</li> <li>• Pipeline Pigging and In-Line Inspection</li> <li>• NDT, Current trends &amp; advanced techniques</li> <li>• Cathodic Protection Survey &amp; Coating Survey</li> </ul> | <ul style="list-style-type: none"> <li>• Inspection of Un-Piggable Pipelines, Direct Assessment</li> <li>• Field and Inspection Data Management, Geographical Information Systems</li> </ul> |
|--|--|

## Session 5 Operation, Maintenance Repair & Rehabilitation of Aging Pipelines

- |  |   |
|--|---|
| <ul style="list-style-type: none"> <li>• Leak Management &amp; Maintenance Techniques</li> <li>• Life Cycle Extension Strategies</li> <li>• Pipeline Repair Methods, Clamping &amp; Wrapping</li> <li>• Hot Tapping, &amp; In-Service Welding</li> </ul> | <ul style="list-style-type: none"> <li>• Pipeline Health Assessment - a Risk Based Approach</li> <li>• Pipeline automation &amp; Measurement</li> <li>• SCADA Systems</li> <li>• Monitoring / Surveillance</li> </ul> |
|--|---|

## Session 6 Pipeline Integrity, Safety and Reliability Management

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Latest techniques in Pipelines Risk Management</li> <li>• Environmental Risks/ Geo-hazards / Natural Disasters</li> <li>• Strategic Analysis and Planning of Pipeline Assets</li> </ul> | <ul style="list-style-type: none"> <li>• Trends in pilferage prevention and detection (theft/ monitoring/ detection &amp; monitoring)</li> <li>• Health Safety and Environment (HSE)</li> <li>• Oil Spillage and Environmental Issues</li> </ul> |
|--|--|

## Session 7 Challenges and Development in Pipeline & City Gas Distribution (CGD Industry)

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>• Opportunities &amp; outlook in CGD sector</li> <li>• CNG and PNG networks</li> <li>• Sustainable/Green Pipeline Projects</li> <li>• Carbon Footprint/Environmental Considerations</li> </ul> | <ul style="list-style-type: none"> <li>• Integrity management</li> <li>• Case Histories &amp; Failure Analysis</li> <li>• Standards &amp; Regulations</li> </ul> |
|---|--|

## Panel Discussion

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Topic 1 Pipeline Integrity Management in India</li> </ul> | <ul style="list-style-type: none"> <li>• Topic 2 Outlook of Indian Pipeline and new scope in cross country pipeline</li> </ul> |
|--|--|

## Pre-conference Training Programs

Topic 1 Pipeline Integrity Management (1 day)

Topic 2 Cathodic Protection design, applications and Survey (1 day)

Topic 3 Coating Integrity Evaluation & Surveying (1 day)

Topic 4 Inspection & Repair techniques in Pipeline (1 day)

## Important deadlines

**Abstract Submission: 30.09.15**

**Acceptance of Paper: 31.10.15**

**Submission of Full Paper: 30.11.15**

**Registration of Delegates: 15.01.16**

**Registration for Pre-conference**

**Training Programs:**

**15.01.16**

## Exhibition

An Exhibition related to Pipeline Integrity Management has also been arranged concurrently to explore new technologies, showcase your products & specialize services, create business opportunities and partnerships related to pipeline industries catering to **Corrosion control techniques/ products, Metallic and Non-metallic Materials,**

**Inspection & NDT Techniques, Corrosion Monitoring Systems, Inhibitor Dosing, Welding and other related fields.** Considering the range of coverage and potential of business growth, the proposed exhibition is definitely going to establish a new bench mark.

Around **50-60** exhibitors are expected to participate in this exhibition.

## Stalls & Exhibition Charges

The exhibitions shall provide an opportunity to promote a meaningful interaction between service providers and product sellers with the end user companies. The organizers will provide a well-furnished modern exhibition facility at the venue which can easily be accessed by the participants. This exhibition will be open to all the delegates and invitees from industry, research and academic institutions during the conference. The exhibitors will be entitled for the below facilities:

Stall Options	6 sq. m (2x3)	4 sq. m (2x2)	Table Top
Benefits at a Glance	1,50,000/- \$3000	1,00,000/- \$2000	50,000/- \$1000
Complimentary no of delegates	3	2	1
Company profile/ Advertisement in Souvenir	1 Page	1 Page	½ Page
Display of company logo in the Venue	Yes	Yes	Yes
Display of company logo in Website	Yes	Yes	-
Advertisement in Newsletter "Asset Integrity Management"	1 Page	½ Page	-

**Early Bird Discount: 10% before 15th Sept'15.**

## Supports & Branding

Sponsorships are solicited from public as well as private industries, product & equipment suppliers, consultants, overseas companies etc. The conference provides a unique opportunity for sponsoring organizations to promote their products / services to the focused International and National audiences besides having an excellent opportunity to interact with Bureaucrats, Professionals, Engineers, Scientists, Academia and marketing professionals. The following complimentary benefits would be available for the Sponsors:

### Benefits

Category	Platinum	Gold	Silver
Benefits at a Glance	5,00,000/- \$ 10,000	3,00,000/- \$ 6,000	2,00,000/- \$ 4,000
Complimentary exhibition booth	8 sq. m	6 sq. m	4 sq. m
Complimentary no of delegates	8	4	2
15 min slot for representation of your company	Yes	Yes	-
Representative at the dice	Yes	-	-
One full page Company profile/ advertisement in Souvenir	Yes	Yes	Yes
Wide publicity of logo and banner	Yes	Yes	Yes
Advertisement in conference website	Yes	Yes	Yes
Advertisement in Newsletter "Asset Integrity Management"	Yes	Yes	Yes

**Early Bird Discount: 10% before 15th Sept'15.**

### Refreshment & Cultural program

Category	Cultural program along with Cocktail Dinner	Lunch sponsorship	Refreshment sponsorship	Delegate Kit sponsorship
Benefits at a Glance	6,00,000/- \$ 12,000	2,50,000/- \$ 5,000	1,00,000/- \$ 2,000	1,00,000/- \$ 2,000
Complimentary exhibition booth	6 sq. m	4 sq. m	Table Top	Table Top
Hosting & Branding	Opportunity to host & brand the Dinner program	Opportunity to host & brand the Lunch program	Opportunity to host & brand the Refreshment program	Company name & logo will be embossed in the Kit
Complimentary no of delegates	6	3	1	1
15 min slot for product Display & presentation	Yes	Yes	-	-
Wide publicity	member in the dice, Back drop	Back drop	Back drop	Back drop
One full page Company profile/ advt. in Souvenir	Yes	Yes	Yes	Yes
Advertisement in conference website	Yes	Yes	Yes	Yes
Advt. in Newsletter "Asset Integrity Management"	6 sq. m	Yes	Yes	Yes

**Early Bird Discount: 10% before 15th Sept'15.**

## Conference Publications (Souvenir)

Abstracts of all the oral presentations and posters will be included in the Conference Souvenir and the full text of the technical talks and posters will be included in the Conference CD.

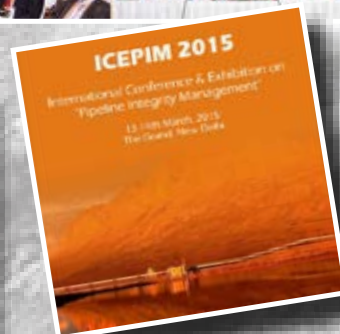

## Advertise in Souvenir

A Conference Souvenir with Abstracts (presented during the Seminar), Industry related /relevant articles and advertisements will be published and will be part of the delegate kit. Also, the Conference souvenir (Soft Copy) will be send to our existing contact data base (More than 15,000) and is of tremendous publicity & business value.

Advertisement	Charges
Outside Back Cover Page	Rs. 35,000 (\$700)
Inside Front/Back Cover Pages	Rs. 25,000 (\$500)
Full Page (Colour)	Rs. 15,000 (\$300)
Half Page (B/W)	Rs. 10,000 (\$200)

**Fees mentioned in dollar (\$) are applicable for Overseas Companies.**

**Early Bird Discount: 10% before 15th Sept'15.**

## Venue & Accommodation

### The Grand New Delhi

The Grand, a luxury 5 star hotel is ideally located in the heart of NCR which is stone throw away from the best shopping malls and entertainment destinations, perfectly harmonizing city conveniences, diplomatic enclave, proximity to the airport and elite corporate neighborhood, making it the preferred location for hosting corporate events in New Delhi.

## Participation at ICEPIM 2015

**MATERIAL, CORROSION &  
INSPECTION TECHNOLOGY**  
Increasing awareness through knowledge

### Contact Us

B-7, Ansal Chambers 2, Bhikaji Cama Place, New Delhi- 110066, India

#### Terms & Conditions:

- All bookings carry a 10% cancellation charges.
- Substitutions of delegates prior to the event date may be allowed subject to management's discretion.
- For any reason, if Organizers decide to cancel or postpone this event; organizers will not be responsible for any loss incurred by any Companies/ Participants. The conference fee will not be refunded and shall be adjusted with future event fee.
- Content of the event program can be changed without any intimation.
- If Company deducts TDS on the delegate fee, then discount is not applicable. Providing TDS certificate is mandatory.
